## Dear Waitsfield Cable Viewer,

What's not to love about summer? The temperatures are warmer. The days are longer. And there's always something great to do outside, whether it's a family hike or a solo run.

Speaking of being outside, technology now makes it possible to enjoy TV entertainment—once reserved for in-home viewing—while you're out and about. I'm talking about WatchTVEverywhere, which Waitsfield Cable offers free to our Waitsfield Cable Standard or Preferred customers. With WatchTVEverywhere, you can watch many of your favorite programs on your laptop, tablet, or smartphone. All you need is Wi-Fi and you're ready to roll. Check out page 3 for more details on this convenient service which is adding new channels all the time.

Also in this issue of *Cable Companion*, you'll find lots of other handy information related to your Waitsfield Cable service. I urge you to keep this guide near your TV, since you and your guests will want to refer to it over and over. We've included our current channel lineup, a review of your remote (and what all the buttons do), plus details about our regular DVR service as well as our Multi-Room DVR option.

All of us at Waitsfield Cable want to thank you for choosing us. It's fun for us to bring more fun into your life.

Sincerely,

Gregg Haskin  
President & CEO  
Waitsfield Cable
