## Check Out the HD Channels Added to Our Lineup

Waitsfield Cable has added the following new high-definition (HD) channels to our all-digital network:

- Outside Television (channels 12 and 212)
- Discovery Family Channel (channels 63 and 263)
- Hallmark Movie (channels 65 and 265)
- Hallmark (channels 66 and 266)
- OWN - Oprah Winfrey Network (channels 80 and 280)
- Discovery Life (channels 81 and 281)
- Investigation Discovery (channels 96 and 296)

High-definition programming is available to Waitsfield Cable customers who subscribe to a high-definition set-top box and have an HD-capable television. Remember, you no longer have to search for the HD version of the channel you want to watch — 1HD Auto Tune does it automatically for you! In addition, all scheduled recordings in standard definition will automatically record in HD.

## Make Movie Nights Really Pop

Are you looking for ways to make movie nights at home even better? Waitsfield Cable offers all kinds of star-studded entertainment options sure to be big hits with your family and friends.

Topping the list are HD Service and Premium Movie Channels. These two go together like popcorn and butter. They're the perfect combo to take your Waitsfield Cable TV package from pretty good to pretty amazing.

For a plot twist on movie nights, consider surprising your audience with nontraditional popcorn. You'll find lots of recipes here, from coconut curry popcorn to buffalo ranch popcorn: [www.babble.com/best-recipes/25-creative-homemade-popcorn-recipes](http://www.babble.com/best-recipes/25-creative-homemade-popcorn-recipes).

# Game of Thrones Season 7 Will Premiere July 16

The time between seasons six and seven of Games of Thrones has felt about as long as the winter destined to hit Jon Snow and his fellow Westerosi. Thankfully, the end to the waiting is finally in sight. July 16, 2017 is the official premiere date of season seven of this epic, Emmy-winning HBO series.

As if the long wait between seasons wasn't torturous enough, get ready for some more difficult news. When Game of Thrones returns, it will be with a shortened number of episodes. Past seasons have clocked in at 10 episodes each. Not so for season seven, which instead consists of seven episodes.

Like always, Game of Thrones will feature some new faces this season. The most notable addition to the cast so far is Jim Broadbent, who will be playing a maester of the Citadel at Oldtown. Season seven also marks the penultimate year of Game of Thrones. HBO has confirmed that the series would end with season eight.

The good news is that there's an endless amount of possible spinoffs, including adaptations of Martin's Dunk and Egg novellas, or realizations of other aspects of ancient Westeros history.

Mark your calendars for July 16 when Game of Thrones returns on HBO (channel 400 and 360 in HD).
