Waitfield Cable brings everything to you, whether you want to cheer on your favorite team, laugh through the latest comedy, or get inspired with cooking or travel ideas.

Thanks to today's technology, you're no longer limited to watching programs on your home's TV screen. On page 3 of this issue of *Cable Companion*, you'll be reminded that **WatchTVEverywhere is Free, Fun, and Flexible**. This service enables you to watch TV from any internet-connected device — when you're at home or when you're on the go. Also on page 3, get tips on how to **Make Family Movie Nights Bigger Hits**.

For the current **Digital Channel Guide** arranged by categories and channel numbers, refer to pages 4 and 5. Then go **Inside i-Guide HD** on pages 6 and 7 to learn how to easily find what to watch and record programs for later viewing.

It's a good idea to keep this publication near your TV. That way, your family and guests will be able to simply enjoy using your Waitfield Cable service without struggling to figure out all the channels and features.

I send you my warmest wishes for the cool months ahead and thank you for choosing Waitfield Cable as your TV provider.

MAKE FAMILY MOVIE NIGHTS BIGGER HITS

Family movie nights are a great way to relax and spend time together. To make yours even better, try these ideas:

Get Creative and Pick a Theme

Get everyone excited by creating a theme for your movie night. This can be simple or elaborate and involve food, clothing, or both. For example, you could eat frozen treats like popsicles when watching *Frozen* or Southern food while watching *Steel Magnolias*. Have everyone throw on cowboy hats for a western-themed night or baseball caps while watching a double header of baseball movies.

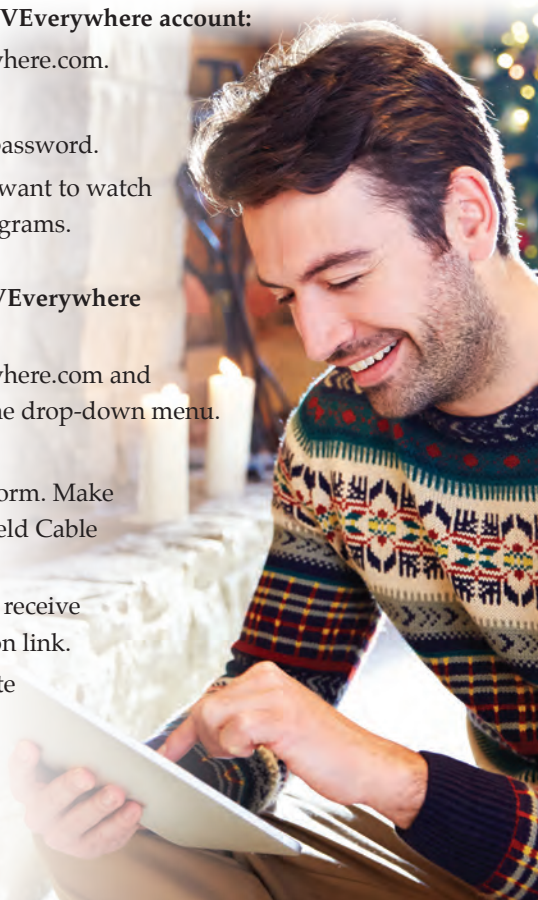

Make It a Regular Event

Many families have found it works well to have a standing movie night, either weekly or monthly. That way, family members can have it on their calendars and be more likely to attend.

Take Turns Choosing the Movies

You may want to give young kids a pre-selected list to choose from to avoid watching the same favorite movie over and over. If you've got teens, tell them you'll watch anything they choose as long as they return the favor when it's your turn.

Waitsfield Cable can help make the most of your family movie nights. Call 496-5800 for details.
