Lifeline Program Offers Telephone Discounts to Eligible Vermonters

Many individuals or low-income families qualify for assistance with phone charges, but don't realize this help is available to them. If you're experiencing financial difficulties, or have a friend or family member in this situation, Waitsfield and Champlain Valley Telecom encourages you to look into the Lifeline Program.

Lifeline provides qualified customers with a monthly discount on charges for their primary home phone line. Here in Vermont, you can save up to \$16.00 per month.

To help you determine your eligibility:

- Was your 2017 household income less than \$16,389 for a single-person household or less than \$22,221 for a two-person household? Add \$5,832 for each additional person in your household.
- Did you receive Federal Public Housing Assistance (FPHA), Supplemental Security Income (SSI), Supplemental Nutrition Assistance Program (SNAP, also known as Food Stamps), Medicaid, Veterans Pension/Survivors Pension, or Tribal Programs?

For more information and to apply, please contact Waitsfield and Champlain Valley Telecom at 802-496-3391.

WCVT employee, Vic Cousino, at the new Addison sign crafted by local Valley company, Wood & Wood

In 1996, former WCVT owner and Chairman of the Board, Dana Haskin, took it upon himself to have a new Addison town sign made as the old was in dire need of replacement. The sign is located on our company's Addison Central Office property on the corner of Route 17 and 22A. Fast forward 22 years, and the sign was once again showing signs of aging from weather. Vic Cousino, WCVT employee, took charge of the project from beginning to installation. We know Dana would be pleased with the new sign and proud of how we continue to help customers and neighbors in the local communities we serve. Great job, Vic!
