Dear Waitsfield Cable Viewer,

The spring and summer seasons in Mad River Valley showcase the intense colors of our community's natural beauty. I hope you take the time to enjoy the rainbow of trees, grasses, flowers, and mountains.

Jed Rutledge (left), Cable Service Technician and Lyle Douglass, Cable Headend Technician

While you're relaxing with Mother Nature outside, you can also watch performances from your favorite actors and athletes via WatchTVEverywhere. This free service streams some of your favorite TV channels to your mobile devices. Find out more on page 3.

Waitsfield Cable's dedicated staff includes the two technicians featured here —Jed Rutledge and Lyle Douglas. They work diligently at outside and inside locations to install, maintain, and repair the technology behind your Waitsfield Cable services. This technology gives you access to a wide variety of TV programs (listed on pages 4 and 5) as well as the viewing convenience of our DVR services (explained on page 6). On page 7, we share the good news of MRVT's launch of high-definition (HD) channels.

I hope you keep this publication handy, and I thank you for choosing Waitsfield Cable.

Sincerely,

Gregg Haskin
President & CEO

HOW TO LISTEN TO YOUR FAVORITE FM RADIO STATIONS

Champlain Valley and Mad River Valley may present challenges for FM radio stations, but you can still enjoy great reception of your favorite local and regional FM radio stations via Waitsfield Cable. How? By hooking up your stereo audio tuner to the coaxial cable used to deliver your cable TV service.

Equipment Needed:

(This is all available at no charge at our Main Business Office in Waitsfield.)

- FM splitter
- Two 3' RG-6 coaxial cables
- Matching transformer (May not be necessary depending on your stereo audio tuner.)

Wiring Your Stereo Tuner:

1. At the cable set-top box, unplug the coaxial cable from the 'RF in' or 'Cable in' port on the back of your set-top box.
2. Next, connect that coaxial cable onto the 'input' port of the FM splitter. (The input is the single port directly across from the two ports labeled 'FM' and 'TV'.)
3. Using one of the 3' coaxial cables, connect the 'TV' port on the splitter to the 'RF in' or 'Cable in' port on the set-top box.
4. Using the other 3' cable, connect the 'FM' port on the splitter to your FM stereo tuner. (Depending on the type of connector on your radio, you may not need to use the matching transformer, which adapts the coaxial cable (75 Ohms) to a two-contact connector (300 Ohms) with screws or spade lugs.)
5. Tune your favorite radio stations on your stereo tuner just as you normally would.

Free Yourself From TV Schedules with **DVR Service**

HAVE A HOUSEFUL OF FUN WITH MULTI-ROOM DVR SERVICE

Our Multi-Room DVR Service gives you the ability to record and watch programs in multiple rooms. When you subscribe, nothing comes between you and your recorded TV programs—not even the walls in your home! Multi-Room DVR service enables you to do all this:

- Watch recorded programs on any connected TV in your home.
- Pause a recorded program in one room and then resume it in another—ideal for when you start getting sleepy and want to finish watching a movie in the bedroom.
- Schedule recordings, set parental controls, and manage program choices on each connected TV.

To use Multi-Room DVR Service, you'll need a Motorola DCX3400/DCX3501/DCX3510 as your DVR box, and a DCX 700M set-top box for each TV that you want to connect. Stop by our Business Office or call our Customer Service Department at 496-5800 to get started.

With Digital Video Recording (DVR) Service from Waitsfield Cable, you're not a slave to the network's schedules. You get to decide when and how you want to watch selected programs:

- Pause live TV such as sporting events and start them again when you're ready.
- Rewind and replay programs so you don't miss a beat.
- Record up to 90 hours of your favorite programs and movies to create a personal entertainment library to view at your convenience.
- Fast-forward through the boring stuff when watching recorded programs and save time.

Below are the instructions for how to record a program and view it later at your convenience.

One-Touch Recording:

Press RECORD anytime while watching TV or navigating through the guide for easy, no-hassle recording from anywhere.

Schedule a Recording:

From the Main Menu, or Quick Menu, select DVR. Select "Set a Recording," then the start and end time, the day to record, and select.

View Recording:

From the Main Menu, select "My Recordings." Search through and highlight title from list of recorded programs. Press OK to select the program.

To order DVR Service, call Waitsfield Cable at 496-5800. Visit www.waitsfieldcable.com for online user guides, tutorials, and DVR information.

MRVTV Launches HD Channels and Leads in Public Access TV

Mad River Valley TV and Waitsfield Cable have launched high-definition (HD) channels for the local public access TV station. MRVTV broadcasts locally generated programs with a focus on public, educational, and governmental (PEG) programming. It will now have two HD channels, 244 and 245, available on Waitsfield Cable in addition to two standard-definition (SD) channels, 44 and 45.

The upgrade from SD to HD allows MRVTV to be a pioneer and take a leadership role in public access TV, as only a very small percentage of public access TV stations in Vermont and the U.S. currently broadcast in HD.

“We are thrilled to have such a great partner in Waitsfield Cable to help us upgrade our station to HD and give community members a better platform to share information, opinions, and stories,” said Keith Berkelhamer, Executive Director of the station. “High-definition has become the standard to broadcast and view TV today, and we hope this investment in modern equipment will attract more viewers, content creators, and contributors.”

MRVTV spent approximately \$60,000 on the HD equipment upgrade—a big investment for a station with an annual operating budget of \$120,000. A crowdfunding campaign is currently underway to help raise money. So far, large donations were made by the Rotary Club; Win Smith, President of Sugarbush Resort; and The West Hill House B&B.

Waitsfield Cable has also invested \$18,000 to upgrade the equipment it needs to broadcast the HD signals for the new MRVTV channels. “MRVTV is a great community asset,” said Gregg Haskin, President and CEO of Waitsfield Cable, “and we are proud to support them.”

To help pay the higher annual costs needed to broadcast in HD, MRVTV has rolled out new offerings including a live streaming service that allows MRVTV to broadcast an event live to any YouTube channel or Facebook page administered by a business or organization.

Congratulations to MRVTV for leading the way!

The **best combination**
since blue skies and green grass:
HD and DVR

With an integrated HD/DVR set-top box from Waitsfield Cable, you get stunning high-definition picture quality plus convenient viewing controls. It's two wonderful technologies combined to form an even more wonderful way to watch TV.

Take a fresh look at the Waitsfield Cable landscape. Call our Customer Service Department at 496-5800 and sign up for an integrated HD/DVR set-top box for just \$14.95* monthly.

*A set-top box is required for each television. In order to receive HD programming, you will need a high-definition television set and an HD/DVR set-top box from Waitsfield Cable. HD/DVR service not available to Basic Service Subscribers. Applicable VT sales tax and public, educational, and government surcharges apply.
