WCVT Awards Scholarships to Area High School Students

WCVT awards six scholarships annually, one to a student at each of the public high schools in our service area. These scholarships are presented in memory of the late Eunice B. Farr, former owner and operator of the Waitsfield- Fayston Telephone Company. The award is presented to a hard working graduate that has shown a steady improvement in his or her academics and plans subsequent education, be it college or trade school.

We congratulate this year's scholarship recipients:

- Champlain Valley Union High School – Amber Robert
- Harwood Union High School – Savannah Thompson-Bell
- Mount Abraham Union High School – Lindsey Armell
- Mount Mansfield Union High School – Katelynne Leppert
- Middlebury Union High School – Taylor Sylvester
- Vergennes High School – Holden Clark

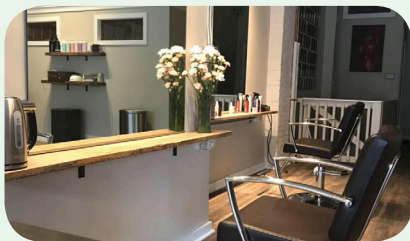

We're Lending a Hand in the Community

WCVT feels strongly that community involvement is not just a nice thing to do; it's the right thing to do! Here are a few snapshots of recent community service projects in which our employees participated. Each employee gets 16 hours of community service time annually.

If you have a community service project in the making and are looking for help, contact Lorraine Keener at 496-8379 or lkeener@wcv.com to see if we can lend a hand.

Sage Restaurant – Waitsfield

When Ana Dan and her husband Paul Weber purchased the Hyde Away in 2015, they made improvements and made it their own while retaining the inn's rich history. Since arriving in the Valley, Ana has had her eye on the property at the corner of Routes 17 and 100. After building a solid management team at the Hyde Away, she saw the stars align in the Mad River Valley and felt it was time for a new restaurant in town. Called Sage, it's located in an historic property at 8 VT Route 17 in Waitsfield and serves Mediterranean coastal cuisine not generally available elsewhere in the area. High quality ingredients, sourced locally whenever possible, go into the creative dishes prepared by Executive Chef, Chris Harmon and his team. For Sage's hours and menu, visit www.sagevt.com or call 496-SAGE (7243).

WCVT now offers the eero Whole Home Wi-Fi solution which you can set up yourself in under 10 minutes. It uses multiple access points and TrueMesh technology to cover every nook and cranny of your home in powerful and reliable Wi-Fi. You start by plugging the eero Pro device directly into your modem. Then the app will walk you through placing additional eero Beacons in your living room, bedrooms, kitchen, hallways, and more to bring Wi-Fi to every inch of your home.
