

Fun Day at the Farm

A crew of WCVT employees spent the day volunteering with The Farm at VYCC (Vermont Youth Conservation Corp) at the Monitor Barn in Richmond. Volunteers gleaned vegetables for VYCC's Health Care Share Program which provides food-insecure families with fresh food and nutrition education at their doctor's office. Each week of the growing season, around 400 families receive a share of vegetables and herbs grown by Vermont youth in their communities. What an amazing program, learn more at: <http://www.farmatvcc.org>.

Whole Home Wi-Fi Gives You Strong Signals in Every Room!

Whole Home Wi-Fi lets you enjoy your internet-connected devices all over, from the basement craft room to the backyard patio to the man cave in the garage. With Whole Home Wi-Fi from Green Mountain Access, you'll gain improved Wi-Fi coverage and performance.

This service will also:

- Provide easy scalability — add additional access points to increase coverage in a very large home.
- Eliminate dead spots for increased reliability.
- Enable you to stay consistently connected while moving throughout your home.
- Maximize Wi-Fi speeds and capacity.

A traditional home Wi-Fi network relies on a single access point to provide coverage, which may result in an unreliable or disappointing Wi-Fi connection. By contrast, Whole Home Wi-Fi utilizes two or more access points placed at strategic locations. This means that no matter where you are in your home, you'll have access to fast and reliable internet service.

For more details about Whole Home Wi-Fi or our business Wi-Fi solutions, call Richard at 496-8360.

Customer Spotlights

Symphonia Centre Dressage – Hinesburg

Symphonia Centre Dressage, located at 2385 Shelburne Falls Road in Hinesburg, welcomes riders of all disciplines who are interested in exploring how they can deepen their connection with their horse and more fully enjoy their time together. For more information about boarding options and upcoming clinics and events please visit www.symphoniacentre.com or call 802-482-4876.

Roots Builders – Waitsfield

Roots Builders is a Vermont-based, fine homebuilding company, devoted to forming strong relationships with clients, supporting the local economy, maintaining cost transparency, and providing the highest quality products. Founded by Ben Gould, Roots Builders tackles projects including custom home construction, home and restaurant renovations, additions to existing structures, and outbuilding construction. In all their work, the company strives to use the latest green-building techniques and sustainable building practices as well as purchase materials from local businesses and utilize area artisans. Ben provides a sustainable career environment for his team of skilled builders which allows the company to retain top quality, professional builders. For more details, go to www.rootsbuildersvt.com or call 496-4016.

Communities are All for Shopping Small

In 2010, small businesses were hurting from an economy in recession. In an effort to support local shops that make communities strong, American Express launched Small Business Saturday on the Saturday after Thanksgiving. Its goal was to encourage people to shop small and bring more holiday shopping to small local businesses.

Shoppers, small businesses, and civic leaders come together to support small businesses and help their communities thrive. One year later, as the Shop Small Movement gained momentum, the Senate unanimously passed a resolution in support of the day.

By 2018, there were more than 7,500 Neighborhood Champions across all 50 states. As shopping small caught on in communities everywhere, Small Business Saturday went from a cause to a day of community celebration. According to American Express, 96% of consumers who reported shopping on Small Business Saturday said the day makes them want to shop small all year long.

Waitsfield and Champlain Valley Telecom enthusiastically supports Small Business Saturday and encourages you to shop at local, independently owned businesses as much as possible. We also thank you for choosing us, the local communications provider.

Welcome New Businesses

When you buy local, everyone benefits. Please support the community by doing business with these new neighbors.
