Additional Streams and DVR Storage Available!

Customer-Inspired Features

Cloud DVR

Each account includes 50 hours of easy-to-use cloud DVR storage. You can also access your recordings on virtually any device from anywhere. How cool is that? If needed, additional DVR storage can be purchased, it's packaged in increments of 50 hours and also includes one additional stream for \$5.00/month.

Restart TV

With our Restart TV feature, you can restart your favorite show from the beginning and not miss a single minute. Restart TV works when supported by the programmer. Not all programming content allows this feature to be active.

Voice Control

Everything from "Alexa, play ESPN" to "Hey Google, show me drama movies I can watch with my kids."

WatchTVeverywhere

Not at home? WatchTVeverywhere streams some of your favorite channels and programming to your tablet, smartphone, laptop, and other devices. Enjoy it from anywhere you have an internet signal.

Replay TV

Replay TV is a feature that allows you to view up to three days of previously aired programming (available with most TV networks).
