GMA Video The next generation of video streaming is here!

GMA Video is a streaming TV service that is a complete replacement for traditional cable television! With GMA Video, you get all of your local channels and the option to choose packages with all of your favorite **national sports** and **movie channels**. Simply install the GMA Video app on your streaming media device and start enjoying a modern TV experience. No more set-top boxes – GMA Video works on many devices.

Customer-Inspired Features

Cloud DVR

Each account includes 50 hours of easy-to-use cloud DVR storage. You can also access your recordings on virtually any device from anywhere. How cool is that? If needed, additional DVR storage can be purchased, It's packaged in increments of 50 hours and also includes one additional stream for \$5.00/month.

Restart TV

With our Restart TV feature, you can restart your favorite show from the beginning and not miss a single minute. Restart TV works when supported by the programmer. Not all programming content allows this feature to be active.

Voice Control

Everything from "Alexa, play ESPN" to "Hey Google, show me drama movies I can watch with my kids."

WatchTVeverywhere

Not at home? WatchTVeverywhere streams some of your favorite channels and programming to your tablet, smartphone, laptop, and other devices. Enjoy it from anywhere you have an internet signal.

Replay TV

Replay TV is a feature that allows you to view up to three days of previously aired programming (available with most TV networks).

Compatible Devices

GMAVideo works with many popular streaming video devices and is delivered over your Green Mountain Access internet connection. GMAVideo is currently compatible with the following devices:

Apple

Apple TV (Gen 4, TV OS)

Recommended Device - The Apple TV (Gen 5) is Apple's latest streaming media player and one we'd recommend placing where you watch the majority of your TV.
