## Check Out What's Premiering This Fall

### Supermarket Sweep (ABC)

ABC is bringing back the classic TV game show *Supermarket Sweep*, hosted and executive produced by Emmy® Award-nominated comedienne and actress Leslie Jones. The fast-paced and energetic series follows three teams of two as they battle it out using their grocery shopping skills and knowledge of merchandise to win big cash prizes. The original format aired on ABC from 1965-1967 and went on to become a global sensation. *Supermarket Sweep* will on Sundays at 8:00 p.m. (Channel 4).

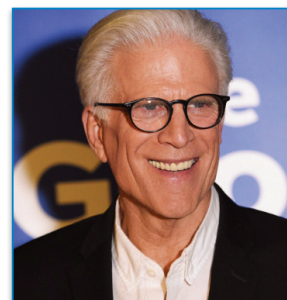

### B-Positive (CBS)

*B-Positive* revolves around Drew, a therapist and newly divorced dad who is faced with finding a kidney donor when he runs into Gina, a rough-around-the-edges woman from his past who volunteers her own kidney. Together, they form an unlikely and life-affirming friendship as they begin a journey that will forever impact both of their lives. *B-Positive* will air on Thursdays at 8:30 p.m. (Channel 3).

### Mr. Mayor (NBC)

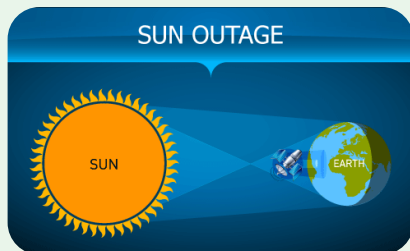

Originally conceived as a 30 Rock spin-off, the new series revolves around a wealthy businessman (*The Good Place* star Ted Danson) who runs for mayor of Los Angeles for all the wrong reasons. Once he wins, he has to figure out what he stands for, gain the respect of his staff, and connect with his teenage daughter—all while humanely controlling the coyote population. *Mr. Mayor* will air on NBC (Channel 5) at a yet-to-be-established day and time.

### Call Me Kat (Fox)

In an effort to prove to her mother—and society—that it's impossible to have everything you want and still be happy, 39-year-old Kat (Mayim Bialik) spends the money her parents set aside for her wedding to open a Cat Café in Louisville, Kentucky. *Call Me Kat* is a remake of the BBC comedy *Miranda*. In addition to Bialik, the show also stars Cheyenne Jackson (*American Horror Story*) as Kat's high school crush Max, Swoosie Kurtz (*Mike & Molly*) as Kat's mom, and Kyla Pratt (*One on One*) as Randi. *Call Me Kat* will premier in mid-October on Fox (Channel 7).

## Service Interruptions Due to Seasonal Sun Interference

Beginning in early October and continuing through the middle of the month, disturbances to TV signal reception may occur when the sun passes directly behind a satellite. This usually lasts less than a few minutes and is a natural phenomenon that affects both satellite and cable company reception.

For more information, please contact our Customer Service Department at 496-5800.

## Buying Local is a Win-Win Decision

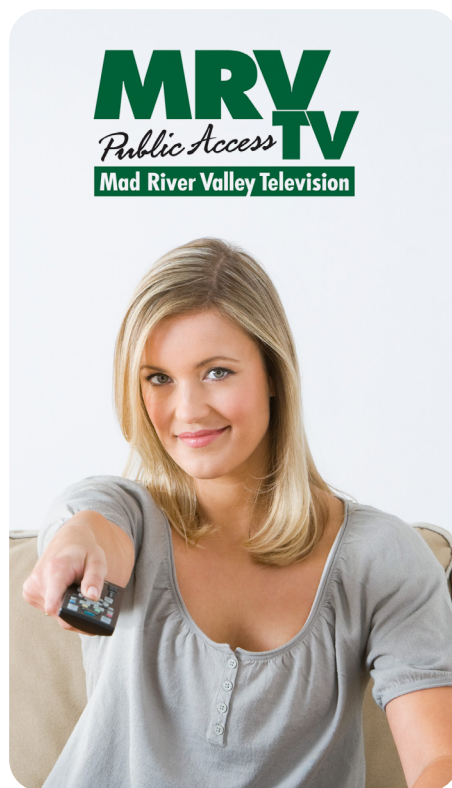

Waitsfield Cable thanks you for supporting us as the local provider and encourages you to buy local whenever possible. According to the American Independent Business Alliance, every dollar spent at independent businesses returns three times more money to the community than a dollar spent at a chain (and almost 50 times more than a dollar spent at an online mega-retailer).

# MRVTV Belongs to You!

Mad River Valley Television (MRVTV) continues to provide community members with a wide variety of local TV programming, including school and select board meetings, educational workshops, coverage of local events and much more. Even in these uncertain times, it's still possible to be a content contributor. If you have an interest, passion or unique hobby that you'd like to share with the community or if your favorite nonprofit organization could benefit from more visibility, perhaps MRVTV can help get the word out.

To learn how you can be involved with MRVTV, please contact Tony Italiano, Media/Program Manager, at 583-4488 (44TV) or send an email to [mrvtv@mrvtv.com](mailto:mrvtv@mrvtv.com). Visit [mrvtv.com](http://mrvtv.com), subscribe to MRVTV's YouTube channel and newsletter, like their Facebook page, and follow them on Twitter and Instagram.

## The Undoing is Coming to HBO

Nicole Kidman will join forces with Emmy, Oscar and Golden Globe-winning director Susanne Bier and reunite with Emmy-winning *Big Little Lies* creator David E. Kelley for *The Undoing*, a limited series based on the book *You Should Have Known* by Jean Hanff Korelitz.

Joining Kidman are Hugh Grant and Donald Sutherland. The story focuses on a successful therapist, Grace Fraser (Kidman), along with her husband, Jonathan (Grant), and their young son who attends an elite private school in New York City. A chasm opens in her seemingly perfect life: a violent death, a missing spouse and, in the place of a man Grace thought she knew, only a chain of terrible revelations. Left behind in the wake of a spreading and very public disaster, and horrified by the ways in which she has failed to heed her own advice, Grace must dismantle one life and create another for her child and herself.

*The Undoing* premieres on HBO on October 25, 2020.
