Be Sure to Call 811 Before You Dig

There may be more than roots underground on your property. All sorts of utility lines, pipes, and cables could be buried there. In some cases, they're close to the surface and easily damaged by even shallow digging, which can result in service interruptions to your neighborhood.

That's why every digging job—from planting a bush to installing a fence—requires a call to 811 to have utility lines marked. Simply tell the operator where you're planning to dig and what type of work you'll be doing. The affected local utilities will send a locator to your property, free of charge. Then you'll know what's below and be able to dig safely.

Waitsfield Cable thanks you in advance for your cooperation. To learn more, visit call811.com before you dig.

Game of Thrones Spinoff, House of the Dragon, Premieres August 21 on HBO

The Targaryens are returning to HBO! *House of the Dragon*, HBO's first spin-off series of its record-breaking juggernaut *Game of Thrones*, will premiere on August 21.

Set two centuries before the events of *Game of Thrones*, the 10-episode prequel series will depict how the House of Targaryen fell into a bitter and brutal civil war known as the Dance of the Dragons, foreshadowing the beginning of the end of the ruling family of Westeros. While this show is certain to differ from its predecessor, there will be a sense of nostalgia that comes with each episode.

Waitsfield Cable Sponsors Mad River Valley Little League

Waitsfield Cable is proud to be a sponsor of the Mad River Valley Little League, which got its start in 1960. Mad River Valley is fortunate to have such a beautiful field, and a dedicated group of volunteers that provide a safe, fun, and healthy experience in youth baseball. These volunteers help children develop the ideals of good sportsmanship, teamwork, fair competition, and respect.

Have a great season, everyone. Play ball!
