## Sun Interference in October Can Cause TV Signal Disturbances

Beginning in early October and continuing through the middle of the month, disturbances to TV signal reception may occur when the sun passes directly behind a satellite. This usually lasts only a few minutes and is a natural phenomenon that affects both satellite and cable company reception.

## Check Out What's Premiering This Fall

### *So Help Me Todd* (CBS)

This series follows razor-sharp, meticulous attorney Margaret Wright (Marcia Gay Harden) and her talented but scruffy, aimless son Todd (Skylar Astin), whom she hires as her law firm's in-house investigator. As the black sheep of the well-heeled Wright family, Todd is a laid-back, quick-thinking, excellent former private detective who fell on hard times after his flexible interpretation of the law got his license revoked.

*So Help Me Todd* will air on Thursdays at 9:00 p.m. on CBS (channel 3).

### *Alaska Daily* (ABC)

*Alaska Daily* stars Hilary Swank as Eileen Fitzgerald, a recently disgraced reporter who leaves her high-profile New York life behind to join a daily metro newspaper in Anchorage on a journey to find both personal and professional redemption.

*Alaska Daily* will premiere on Thursday, October 6 on ABC (channel 4).

### *Lopez vs Lopez* (NBC)

After five years, comedic great George Lopez is returning to television, and this time it's alongside his daughter, Mayan Lopez. Viewers will see George and Mayan portray a fictionalized version of their real-life father-daughter relationship. This is a working-class family comedy about dysfunction, reconnection, and all the pain and joy in between.

*Lopez vs. Lopez* premieres on Friday, November 4 at 8:00 p.m. on NBC (channel 5).

### *Monarch* (Fox)

*Monarch* is an epic, multi-generational musical drama about the Roman family—America's first family of country music. It stars Susan Sarandon as the head of the dynasty. In *Monarch*, the Romans are passionate and fiercely talented, but while their name is synonymous with honesty, the very foundation of this family's success is a lie. When dangerous truths bubble to the surface, the Romans' reign as country royalty is put in jeopardy.
