

## **Robo Calling Mitigation Policy**

Waitsfield and Champlain Valley Telecom (WCVT) does not and will not tolerate any person or company who abuses our services to originate or terminate illegal calls. By subscribing to our services, customer agrees that it will not use Waitsfield and Champlain Valley Telecom (WCVT) Phone Services for illegal calls including, but not limited to:

- Call violating any applicable local, state, or federal law;
- Calls engaging in or in connection with fraudulent activities;
- Calls using altered, deceptive, or false information about the identity of the sender or the origin of a message or phone call;

Engagement in above activities may lead to suspension or termination of service per our Terms of Service at [www.wcvt.com/policies](http://www.wcvt.com/policies).

For additional information on Robocalls, please visit the Federal Trade Commission Robocall Consumer Information website at: [www.consumer.ftc.gov/articles/robocalls](http://www.consumer.ftc.gov/articles/robocalls).
