WHO WE ARE

WAITSFIELD AND CHAMPLAIN VALLEY TELECOM (WCVT) MISSION STATEMENT

Our mission is to provide high quality state-of-the-art communication services which encourage economic growth and prosperity in the communities we serve.

WCVT is a local, privately owned, independent telecommunications provider serving the Mad River and central Champlain Valley regions of Vermont. Owned by the Haskin family, WCVT has been proudly serving the local community with world-class technology and outstanding customer service since 1904.

- ✓ 70 Full-time employees
- ✓ Serving 16,000 access lines, 669 square miles
- ✓ 100% of subscriber base has access to high-speed internet service
- ✓ 3,400+ Streaming and Cable Television Subscribers in the Mad River Valley and Bolton Valley Resort
- ✓ 12,200+ Internet subscribers
- ✓ Publisher of two telephone directories serving the central Champlain Valley and Mad River Valley communities
- ✓ Waitsfield and Champlain Valley Telecom is one of 13 communities nationwide to be honored with the Smart Rural Community Showcase Award by NTCA—The Rural Broadband Association. The award recognizes companies for deploying advanced technologies and leveraging them to enable innovation in the areas of economic development and commerce, and education.

About Our Cover:

This year's cover image was captured on a crisp fall morning by local photographer John Williams. Though he no longer works professionally in photography, we're grateful he continues to share his beautiful images with the community.

MAKING LOCAL CALLS

To make a local call, you must dial the area code in making any call. This means, that you will need to dial 802 for all calls in Vermont, even for local ones.

See pages 26-27 for list of Vermont Exchanges

WHOLE HOME WI-FI

IS THERE **ROOM** FOR IMPROVEMENT IN YOUR WI-FI?

Are there rooms in your home that get a weak Wi-Fi signal—or no coverage at all?

You need Whole Home Wi-Fi from Green Mountain Access. It uses multiple access points placed at strategic locations around your home to eliminate dead spots and provide great performance for all your devices.

There's a whole lot more to know about Whole Home Wi-Fi:

- **You'll get coverage where you need it.** With Whole Home Wi-Fi, our technicians will set up a seamless Wi-Fi network to reach all over your home's interior.
- **You'll enjoy a better Wi-Fi experience.** Improved Wi-Fi coverage and signal strength add up to the fast connections you want for streaming, gaming, and other online applications.
- **Your network can easily grow as your needs grow.** We can add access points to your home's network should you decide you want to include additional spaces such as a detached garage or patio area.

Whole Home Wi-Fi starts as low as
\$10.90 per month.*

**CALL 800-496-3391
NOW TO LEARN MORE!**

* Whole Home Wi-Fi requires Green Mountain Access high-speed Internet service and a modem/router. Installation fee may apply. Additional terms and conditions apply.

HIGH-SPEED INTERNET

Enjoy Brighter, Faster Days With **HIGH-SPEED INTERNET**

Enhance your enjoyment of online experiences
by upgrading your Internet plan.

When was the last time you changed your Internet speed? If you're waiting what seems like forever to download a movie or are dealing with the annoyance of video buffering, it's time to pick up the pace.

Green Mountain Access, part of the Waitsfield and Champlain Valley Telecom family, offers high-speed Internet that's fast enough to keep up with even the busiest multi-device and multi-user households.

SPEEDS UP TO 1 GIG*

HOW MUCH SPEED DO YOU NEED?

	Speeds	Internet Only Plans	Voice and Internet Plans
DSL	Up to 10 Mbps	\$75.95	\$59.95 + Cost of Telephone Service
	Up to 50 Mbps	\$79.95	\$63.95 + Cost of Telephone Service
FIBER	150 Mbps	\$79.95	\$63.95 + Cost of Telephone Service
	500 Mbps	\$89.95	\$73.95 + Cost of Telephone Service
	1 GIG	\$99.95	\$83.95 + Cost of Telephone Service

Rates effective February 1, 2026

For added convenience and protection, we include virus scanning and blocking and other features with all of our plans.

Speeds listed are the maximum under optimal conditions; actual speeds are not guaranteed. High-Speed Internet service is a best effort service and actual speeds may vary based upon equipment and line capabilities, distance from the central office, atmospheric conditions, the users computer system (processor speed and RAM), speed of the Internet, and other factors. Pricing does not include basic rate for residential or business telephone line. Applicable taxes, Federal Universal Service Fund Charge and equipment charges apply. Additional terms and conditions apply.

FIBER TO THE HOME

Fiber to the Home

Fiber-optics are used extensively throughout our network to deliver fast and reliable service. Fiber is the backbone infrastructure that carries all voice and internet traffic throughout our network and to the outside world. WCVT is constantly expanding our fiber-to-the-home network, serving more businesses and residential customers with fiber-optics each and every year. We are currently in the process of replacing the copper facilities in select areas with state-of-the-art fiber-optics. While it will take time to reach all of our customers with fiber, WCVT is continually investing in the network to provide faster speeds and deliver next-generation technology available to its customers.

Get Ready for Lightning-Fast Internet with Fiber Optics!

We're excited to bring you the next generation of high-speed internet technology, which is all part of our commitment to keep you connected today and tomorrow. Fast and reliable internet is what you want, and that's what we deliver!

Fiber will enable you to access services including ultra-fast internet with speeds up to one Gig — the equivalent of 1,000 Mbps. With Gig speeds, a 2-hour movie can be downloaded in as fast as 8 seconds!

Faster Internet Speeds

Fiber optics have a much greater capacity than traditional copper lines. This means the capability for faster and much more consistent Internet speeds. With Fiber, you'll get speeds up to 1 Gig – that's 100 times faster than a common 10 Mbps residential connection!

Greater Reliability

Fiber-optic cables are less susceptible to glitches than traditional copper wires and can withstand the shock and vibration from inclement weather. This means you can look forward to a virtually trouble-free internet connection.

Enhanced Flexibility

Fiber is considered to be a future-proof technology. It can deliver not only the services WCVT now offers but also the services which may be developed in the years to come.

Visit getfiber.wcvt.com to see if our fiber internet service is available at your location.

GMA VIDEO

Looking for a Better TV Experience?

GMAVideo

is the Next Generation of Streaming

GMA Video is a fully-featured, streaming TV service that's a complete replacement for traditional cable or satellite television. With GMA Video, you still get all of your local channels and the option to choose packages with your favorite national sports and movie channels as well.

You'll also enjoy:

- ▶ FREE HD Channels, Cloud DVR, Restart TV, and Replay TV
- ▶ Your favorite local broadcast channels and cable networks
- ▶ Personalized viewing recommendations
- ▶ Easy self-installation and no contracts

Call 802-496-3391 Today to Switch.

GMA Video is available to Green Mountain Access high-speed internet customers only. Requires internet speeds of a minimum of 10 Mbps. After first month, monthly service charges will apply unless customer returns equipment and cancels service. Additional terms and conditions apply.

Best Value • No Contract

CALLING FEATURES & SERVICES

ANONYMOUS CALL REJECTION

Allows you to block incoming calls from a person who will not allow their telephone number to be displayed on a Caller ID device.

TO ACTIVATE:

- 1) Press *77.
- 2) The caller will hear an announcement indicating the call can not be completed.

TO DEACTIVATE:

- 1) Press *87.

■ **Service rate is \$2.25 per month.**

Note: Caller ID is necessary to use Anonymous Call Rejection

ANONYMOUS CALL SCREENING

Allows you to screen all calls from a person who is blocking their name/number from appearing on your Caller ID box. Callers will receive an automated message advising ***“the number you have reached does not want to accept calls from telemarketers. If you are a telemarketer, please add this number to your do not call list and hang up now. All other callers may press “1” if they wish to complete the call.”*** All other callers whose Caller ID information is transmitted, will not receive the automated greeting above and the call will be completed.

TO ACTIVATE/DEACTIVATE:

- Dial *98 from the line that the service is programmed on.
- A message tells you whether Anonymous Call Screening feature is currently turned on or off.
- Follow prompts to activate/deactivate feature.

■ **Service rate is \$2.25 per month.**

Note: Caller ID is necessary to work with Anonymous Call Screening.

ASSISTANCE SERVICE—HOT LINE / WARM LINE

Both **hot line** and **warm line** Assistance Service provide direct, automatic routing of outgoing calls to a single pre-selected telephone number.

A **hot line** telephone cannot be dialed. When the receiver is lifted, the line is programmed to immediately call a preprogrammed phone number.

A **warm line** uses a standard telephone. The line is programmed to automatically route a call to your predetermined telephone number after the receiver is off the hook for 10 seconds (shorter or longer pauses are available). If a number is dialed during the timing period, the programmed number is cancelled and the dialed number processed. For the elderly or disabled, the line can be routed to the telephone operator for call assistance.

Regular incoming calls can be received on both hot line and warm line telephones.

■ **Service rate is \$.89 residential/
\$1.89 business per month**

CALL BLOCKING

You can block access to any 800, 855, 866, 877, 888, 900 or 976 number.

■ **This service is available at no charge.**

CALLING FEATURES & SERVICES

CALL FORWARDING SERVICES

****REMINDER: Local Measured Service rates apply to calls forwarded within your local calling area, and toll charges apply to calls forwarded to a number outside your local calling area, for Call Forwarding: All Calls, Busy and No Answer.**

CALL FORWARDING - ALL CALLS

Allows you to automatically forward calls from your telephone to any local or long distance telephone number.

TO FORWARD ALL CALLS:

- 1) Press *72.
- 2) Dial the telephone number to which you want your calls forwarded.
- 3) Two tones will indicate the number has been successfully entered and Call Forwarding is established.

TO CANCEL:

- 1) Press *73.
- 2) Two tones indicate forwarding is cancelled.

■ **Service rate is \$1.50 per month.****

CALL FORWARDING - BUSY

Permits you to forward incoming calls to another number when your line is busy.

TO PROGRAM:

- 1) Press *90.
- 2) Dial the telephone number to which you want your calls forwarded.
- 3) Two tones will indicate the number has been successfully entered and Call Forwarding is established.

TO CANCEL:

- 1) Press *91.
- 2) Two short tones will indicate Call Forwarding - Busy is cancelled.

■ **Service rate is \$1.50 per month.****

CALL FORWARDING - NO ANSWER

Permits you to forward incoming calls to another number when your line is not answered within a predetermined number of rings.

TO PROGRAM:

- 1) Press *92.
- 2) Dial the telephone number to which you want your calls forwarded.
- 3) Two tones will indicate the number has been successfully entered and Call Forwarding is established.

TO CANCEL:

- 1) Press *93.
- 2) Two short tones will indicate Call Forwarding - No Answer is cancelled.

■ **Service rate is \$1.50 per month.****

CALL RETURN *69

Allows you to dial a code and have a call automatically returned to the last party who called or attempted to call you.

TO USE:

- 1) Press *69.
- 2) Listen for an announcement that tells you the phone number of the party who last called you.
- 3) If you wish to return the call:
Press 1.
Listen for ringing
Wait for answer.
- 4) If you do not wish to return the call, hang up.
- 5) If the line is busy:
Listen for an announcement telling you the number is busy. Hang up. You will hear a short-short-long ring when the line is free. Your call will automatically be made when you lift the handset.

TO CANCEL:

- 1) Press *89 and listen for tone or announcement.

■ **Service rate is \$2.25 per month, or .50 cents per use with a \$4.50 monthly cap.**

CALLING FEATURES & SERVICES

CALL TRANSFER

Allows the user to transfer an established call to another line.

TO TRANSFER:

- 1) Briefly press the switchhook placing the caller on hold.
- 2) Call the party to whom you wish to transfer the call.
- 3) When they answer, tell them you are transferring a call.
- 4) Hang up - the call is transferred.

■ **Service rate is \$1.50 per month.**

NOTE: Three Way Calling (\$1.50 per month) is necessary to use Call Transfer.

CALL WAITING WITH CANCEL OPTION

Allows you to know when someone is trying to call you while you are on the telephone. Two soft tones will repeat within 10 seconds should you not respond. The caller will hear the usual ringing signal until you answer.

TO RECEIVE THE CALL:

- 1) Place your current call on hold by briefly pressing the switchhook or flash key. The waiting call will then be on the line. You may alternate between the two calls by briefly pressing the switchhook or flash key.

Or you may:

- 2) End the first call and hang up. Your phone will ring with the second call. The cancel option allows you to temporarily cancel Call Waiting and avoid interruptions.

BEFORE YOU PLACE A CALL:

- 1) Press *70.
- 2) Enter the number you are calling.
- 3) Call Waiting will be automatically restored when you hang up.

DURING A CALL:

- 1) Press the switchhook briefly to place the current call on hold.
- 2) Press *70 and listen for confirmation tone.
- 3) You will be automatically returned to your current call.

Call Waiting is automatically restored when you hang up.

■ **Call Waiting is now included at no extra cost. If you would like to add Call Waiting, please contact our Customer Service Department.**

NOTE: Three Way Calling is necessary to use the cancel option during an established call.

CALLER ID BLOCK

Allows you to automatically block the Display Device of your telephone number on a Caller ID display device on a full time basis. You must call Waitsfield and Champlain Valley Telecom at 496-3391 to request Per Line Blocking for your telephone line.

TO CANCEL FOR ONE CALL ONLY:

- 1) Press *82.
- 2) Dial the telephone number you wish to call.

NOTE: For both Per Call and Per Line Blocking, your number will be transmitted when you place a call to 800, 855, 866, 877, and 888 numbers or on calls made to Enhanced 911.

■ **There is no charge for this service.**

CALLER ID BLOCK - PER CALL

Is already equipped on your line. It allows you to prevent the display of your telephone number on a Caller ID display device for one call only.

TO ACTIVATE:

- 1) Press *67.
- 2) Dial the telephone number you wish to call.

■ **There is no charge for this service.**

CALLING FEATURES & SERVICES

CALLER ID WITH NAME & NUMBER

Allows you to determine who is calling before answering the phone. A Caller ID display device* attached to your phone shows the name and the phone number of the person calling you. Information is also stored on device when you are not available to pick up the call.

TO USE:

- 1) Wait for the start of the second full ring of your phone.
- 2) The name and number of the calling party will appear on your display.

■ **Caller ID is now included at no extra cost. This feature is automatically programmed on your line.**

**Caller ID display units are not included in the service and must be purchased separately.*

CODE RESTRICTION

Allows you to prevent placement of long distance calls to pre-selected area codes.

TO RESTRICT:

- 1) Inform the telephone company what area code you want to block.
- 2) The company will program the restriction on your line.
- 3) If the restricted area code is dialed, a recording will indicate the call cannot be completed as dialed.

■ **Service rate is \$1.99 residential / \$2.99 business per month.**

CONFERENCE CALLING

Conference Calling Service can be accessed at a moment's notice without having to schedule calls through operators. You can set up a conference call and contact the people you need to reach anytime, 24 hours a day, 7 days a week. Users must initially register for our Conference Calling service by contacting our Customer Service Department at 800-496-3391.

DO NOT DISTURB

Allows you to restrict incoming calls by diverting the call to a recorded announcement. You may give selected callers a Personal Identification Number (PIN) that will allow them to override Do Not Disturb in order to reach you.

TO ACTIVATE: PRESS *78.

TO DEACTIVATE: PRESS *79.

TO CHANGE PIN:

- 1) Press #87.
- 2) Enter new PIN followed by # sign.

■ **Service rate is \$2.25 per month.**

FIND ME

Allows you to manage incoming calls using up to six different phone numbers. A call to your home can ring your wireless phone, your office phone, and your lake cabin, all at the same time or in any order that you decide. You can easily turn Find Me service on/off, make changes to the phone numbers that you include, or change your ringing patterns via your phone or the Web. Find Me is an intelligent service developed to be compatible with voice mail systems and answering machines.

■ **Service Rate is \$5.95 per month.**

HIGH-SPEED INTERNET SERVICE

A service that provides high-speed Internet access over your telephone line. Please see page 8 for details.

■ **Rates start at \$63.95 per month.**

CALLING FEATURES & SERVICES

HOME INTERCOM SERVICE

Allows calls to be placed to other telephones on the same line, allowing conversations with people in another part of your house or at an off premise extension.

TO PLACE A CALL:

- 1) Dial your telephone number.
- 2) Hang up the receiver; the phone will ring.
- 3) When the phone stops ringing (indicating another person has picked up the phone), lift the receiver and you will be connected.

TO ANSWER A CALL:

- 1) When the phone rings, lift the receiver.
- 2) Wait for the caller to pick up the phone and you will be connected.

■ **There is no charge for this service.**

I-FAX

Allows you to send regular faxes directly to your Internet Email account. When you sign up for I-Fax we assign you your own I-Fax telephone number. When someone sends you a fax they dial your I-Fax number and the fax is transmitted directly to your Email account. It reads just like a regular Email attachment.

■ **Rates start at \$1.95 per month.**

PERSONAL RINGING

Allows you to have up to three separate telephone numbers ring on one line. Each number has its own unique ringing pattern allowing you to easily identify calls to each number.

■ **Service rate is \$2.00 per month.**

NOTE: If you also have Call Waiting, each phone will have the same unique Call Waiting tones.

PREFERRED CALL FORWARDING

Allows you to create a list of phone numbers that are to be forwarded when they call you. When you activate this service, and a call arrives from a phone number on your list, the call is forwarded. All other calls will ring your phone in the normal fashion.

TO USE:

- 1) Press *63.
- 2) Listen to the voice instructions which will guide you through the steps of how to:
 - Turn Preferred Call Forwarding on or off.
 - Make changes to your Preferred Call Forwarding list.

Press	If you want to:
0	Repeat the instructions.
1	Review the numbers on your Preferred Call Forwarding list.
3	Turn Preferred Call Forwarding list on/off.
#	Add a number to your Preferred Call Forwarding list.
*	Delete a number from your Preferred Call Forwarding list.
08	Delete all numbers from your Preferred Call Forwarding list.

- 3) Voice instructions also guide you through the steps of how to enter, confirm, or change the number to which your calls will be forwarded:

Press	If you want to:
1	Confirm the forward-to number.
0	Change the forward-to number.

■ **Service rate is \$2.25 per month.**

CALLING FEATURES & SERVICES

PRIORITY RINGING

Allows you to program your telephone line to ring with a special ringing pattern whenever you are called from a select list of phone numbers. Your phone will ring with a normal ringing pattern for all other calling numbers. If you also have Call Waiting, you will hear a distinctive Call Waiting tone whenever someone on your list calls you while you are on the phone.

TO USE:

- 1) Press *61.
- 2) Listen to the voice instructions which will guide you through the steps of how to:
 - Turn Priority Ringing on or off.
 - Make changes to your Priority Ringing list.

Press	If you want to:
0	Repeat the instructions.
1	Review the numbers on your Priority Ringing list.
3	Turn Priority Ringing on/off.
#	Add a number to your Priority Ringing list.
*	Delete a number from your Priority Ringing list.
08	Delete all numbers from your Priority Ringing list.

WHEN PRIORITY RINGING IS TURNED ON:

Listen to the ringing pattern or Call Waiting tones. When called from any number on your list: A short-long-short ringing pattern or tone. When called from any other number: Normal ringing or Call Waiting tones.

- Service rate is \$2.25 per month.

REPEAT DIALING *66

Allows you to dial a code to have your phone continuously attempt to redial a busy number. When the line is free, you will be alerted with a special ringing, and a call will automatically be made. You can also use Repeat Dialing to redial the last number you called.

TO USE:

- 1) Hang up, then lift the receiver and listen for dial tone.
- 2) Press *66.
- 3) If the line is busy:
 - Listen for an announcement telling you the number is busy.
 - Hang up.
 - You will hear a short-short-long ring when the line is free. Your call will automatically be made when you lift the handset.
- 4) If the line is not busy:
 - Listen for ringing.
 - Wait for answer.

TO CANCEL:

- 1) Press *86 and listen for tone or announcement.
- Service rate is \$2.25 per month, or .50 cents per use with a \$4.50 monthly cap.

CALLING FEATURES & SERVICES

SELECTIVE CALL SCREENING

Allows you to create a list of phone numbers from which you do not wish to receive calls. Calls from phone numbers on your list are sent to an announcement that informs the caller that you are not receiving calls at this time.

TO USE:

- 1) Press *60.
- 2) Listen to the voice instructions which will guide you through the steps of how to:
 - Turn Call Screening on or off.
 - Make changes to your Call Screening list.

Press	If you want to:
0	Repeat the instructions.
1	Review the numbers on your Call Screening list.
3	Turn Call Screening on/off.
#	Add a number to your Call Screening list.
*	Delete a number from your Call Screening list.
08	Delete all numbers from your Call Screening list.

- 3) After receiving an annoying call, you may wish to prevent that person from calling you in the future. Call Screening's voice instructions will explain how to add the number of the last caller to your list (even if you do not know the party's number) :

TO USE:

- 1) Hang up, then lift the receiver and listen for dial tone.
- 2) Press *60 and listen for instructions.
- 3) Press #01#.

■ Service rate is \$2.25 per month.

SPECIAL CALL ACCEPTANCE

Allows you to screen incoming calls by creating a list of phone numbers from which you are willing to accept calls. Calls from phone numbers not contained on your list are sent to an announcement that informs the caller you are not receiving calls at this time.

TO USE:

- 1) Press *64.
- 2) Listen to the voice instructions which will guide you through the steps of how to:
 - Turn Special Call Acceptance on or off.
 - Make changes to your Special Call Acceptance list.

Press	If you want to:
0	Repeat the instructions.
1	Review the numbers on your Special Call Acceptance list.
Press	If you want to:
3	Turn Special Call Acceptance on/off.
#	Add a number to your Special Call Acceptance list.
*	Delete a number from your Special Call Acceptance list.
08	Delete all numbers from your Special Call Acceptance list.

■ Service rate is \$2.25 per month.

CALLING FEATURES & SERVICES

SPEED CALLING - 8 NUMBERS

Allows you to program from one to eight phone numbers.

TO PROGRAM:

- 1) Press *74.
- 2) Dial a one digit code. (Numbers 2 through 9 serve as one digit codes. 0 and 1 may not be used as codes.)
- 3) Dial the telephone number you wish to speed code.
- 4) Two tones will indicate that the number has been programmed.

TO PLACE THE CALL:

- 1) Press the appropriate one digit code number and the # button.
- 2) If you dial a digit code that has not been programmed, you will receive a recording indicating the call cannot be completed.

■ **Service rate is \$1.50 per month.**

TELEMARKETING CALL SCREENING

Allows you to screen all incoming calls. Callers will receive an automated greeting advising ***"The number you reached does not want to accept calls from telemarketers. If you are a telemarketer, please add this number to your do not call list and hang up now. All other callers may press "8" if they wish to complete the call."***

TO ACTIVATE/DEACTIVATE:

- 1) Dial *98 from the line that the service is programmed on.
- 2) You will hear a message telling you whether Call Screening feature is currently turned on or off. You may also dial 434-6253 or 545-6253.
- 3) Follow prompts to activate/deactivate feature.

■ **Service rate is \$2.25 per month.**

THREE-WAY CALLING

Makes planning easier and allows you to arrange your own conference call without operator assistance.

TO ADD A THIRD PARTY:

- 1) Press the switchhook to place your first call on hold.
- 2) Listen for dial tone.
- 3) Call the person you want to add to the conversation.
- 4) When the second call answers, you may talk privately before completing the three way connection.
- 5) Press the switchhook to connect all three parties.
- 6) If you do not wish to add the second call, allow them to hang up.
- 7) Press the switchhook to return to the first call.
- 8) If the second call does not answer or the line is busy, you may return to the first call by pressing the switchhook twice.

TO CANCEL:

- 1) Either caller may leave the conversation by hanging up. You will continue to be connected with the remaining call.
- 2) When you hang up, the entire three way conversation is cancelled.

■ **Service rate is \$1.50 per month.**

CALLING FEATURES & SERVICES

TOLL CONTROL WITH PIN

Allows subscriber to dial an authorized code and override toll restriction on a per call basis. Subscribers can manage settings and change PIN via the web interface at www.voicemail.wcvt.com.

HOW IT WORKS:

- After dialing a number that requires an authorized code, the subscriber hears either a continuous or a stutter dial tone, and must enter the code before the call can be set up.
- If a code is not entered, if a non-validated code is too short, or if a validated code is incorrect, an announcement is played informing the subscriber that he or she has not entered a valid code.

■ **Service rate is \$4.00 per month.**

TOLL RESTRICTION

Provides toll restriction from your phone, preventing all direct dialed toll calls.

■ **There is no charge for this service.**

VOICE MAIL

Our Voice Mail system answers your calls when you're on the phone, online, and even when the power goes out. You can access and manage your Voice Mail messages from the Internet, your computer, or via the phone. See page 21 for more information.

■ **Service Rates start at \$5.95 per month.**

WI-FI

With all of the devices in our home and office, we need a reliable Wi-Fi solution to stay connected. Wi-Fi from Green Mountain Access is designed to improve coverage and maximize speed to reach all of your devices. Call today and learn more about our Whole Home Wi-Fi and Business Class Wi-Fi offerings or visit: www.wcvt.com.

WIRE MAINTENANCE PLAN

The plan is designed to reduce the cost of possible repair charges and covers the inside wiring at your residence or business. In addition, the plan covers full replacement of battery and/or charger at any time due to a performance failure for Fiber-to-the-Home customers.

■ **Cost is \$5.95 per month.**

VOICE MAIL SERVICE

We offer a complete unified messaging system that allows you to access and manage your Voice Mail messages from the Internet, your computer, or via the phone. Visit our website to view online user guide, video tutorials and more information on managing your voice mail messages from the Internet: www.wcvt.com/voicemail.

PUT VOICE MAIL TO WORK FOR YOU:

- Reliable - your messages will always be available when you need them. No longer worry about losing messages when the power goes out.
- Convenient - easily retrieve messages at your convenience from any phone, or via the Internet.
- Productive - Callers will never get a busy signal again. Voice Mail works for you even if you are on the telephone, so your callers will never experience a busy signal. Instead, when your phone is in use, your line will ring directly to Voice Mail.

ACCESSING YOUR VOICE MAIL

From The Telephone Number Subscribed To The Service:

1. Dial *99.
2. When prompted, enter your PIN followed by the # key.
3. If you have Fast Login enabled, the system will not ask you for your PIN.

From A Different Telephone Number:

1. Dial Voice Mail Access Number.
2. Enter your 10-digit telephone number followed by the # key.
3. Enter your PIN followed by the # key.

ACCESSING YOUR VOICE MAIL VIA THE INTERNET

Accessing your Voice Mail service online allows you to manage your settings, listen to your Voice Mail messages, and set up Email Notification.

1. Visit www.voicemail.wcvt.com.
2. Enter 10-digit telephone number and password.

VOICE MAIL ACCESS NUMBERS

Dial *99 from the telephone subscribed to Voice Mail, or if dialing remotely:

Addison802-759-8000
Panton.....802-475-8000
Bridport802-758-8000
Richmond802-434-8000
Bristol802-453-8000
Waitsfield802-583-8000
Charlotte802-425-8000
Weybridge802-545-8000
Hinesburg802-482-8000

Did you know that you can forward your voice mail messages to your email address? When a voice mail message is left on your phone it will also be sent as an audio attachment in an email to you where you'll be able to listen, save or delete the message.

*Learn more by visiting our website at:
www.wcvt.com*

LONG DISTANCE DIALING

DIRECT DIALING

Dial 1 + the area code + the seven digit number when using your chosen Long Distance Carrier. To use another Long Distance Carrier, dial the special five digit code for the Long Distance Carrier you want to use, + the area code + the seven digit number.

PERSON-TO-PERSON, COLLECT, CALLING CARD AND BILL TO THIRD NUMBER CALLS

Dial "O" (operator) + the area code + the number. The operator will request the details necessary to complete your call.

All calls, EXCEPT 9-1-1, from semi-public / public telephones must be Collect, Calling Card or Bill to Third Number.

DIRECTORY ASSISTANCE

FOR ASSISTANCE IN DIALING:

Numbers in area code 802:

411 or 1-802-555-1212

Numbers in other area codes:

1-Area Code-555-1212

800, 855, 866, 877, or 888 numbers:

1-800-555-1212

All in-state directory assistance calls is billed at a rate of \$0.90 per call. The rate for directory assistance operator handled calls is \$1.25 per call.

There will be a charge for each out of state and toll free directory assistance call. This charge applies whether or not the Directory Assistance Bureau furnished the requested number (such as in the case of a non-published number).

If you are unable to use a printed telephone directory because of a visual or hearing handicap, you may apply to Waitsfield and Champlain Valley Telecom to obtain a special waiver from these directory assistance charges.

LONG DISTANCE DIALING

PRE-SUBSCRIBED LONG DISTANCE DIALING INSTRUCTIONS

WHAT IS LONG DISTANCE PRE-SUBSCRIPTION?

You can choose one primary long distance company to process your long distance calls. This is called "pre-subscription". When you notify Waitsfield and Champlain Valley Telecom which long distance company you have chosen, we will wire your telephone line in our central office to pre-subscribe your line. When you dial a call from that line, you will dial "1" or "00" plus the area code and seven digit number. Your calls will automatically be routed to the long distance company you have chosen. You may pre-subscribe to one primary long distance company for each main telephone line (not each extension) you have. If you wish, you may select a different company for your in-state toll calls than you select for your interstate toll calls.

To decide which long distance company is right for you, contact the companies directly to get information about their rates, billing, their procedures for establishing an account, and any other information you need to plan your long distance service. A list of carriers is located on page 25.

WHEN YOU ARE AWAY FROM YOUR PRE-SUBSCRIBED TELEPHONE LINE

Dialing instructions are different when you make calls away from your pre-subscribed telephone line. Be sure to follow the instructions provided by your long distance company.

DIALING DIRECT FROM YOUR PRE-SUBSCRIBED LINE USING YOUR PRIMARY LONG DISTANCE COMPANY:

TO PLACE A DIRECT DIALED CALL:

1 + Area Code + seven digit number
(Area codes are listed on pages 29-30)

TO PLACE SPECIAL TYPES OF CALLS:

When making a special type of call
(Credit Card, Collect, etc.):
0 + Area Code + seven digit number

This call will automatically be routed to Verizon Operator Services. To contact your primary long distance company, dial "00" to verify their specific instructions. If you are making an international call, see the instructions on page 28.

DIALING DIRECT FROM YOUR PRE-SUBSCRIBED LINE USING OTHER LONG DISTANCE COMPANIES

You can use other long distance companies, too. When your telephone line is pre-subscribed to the primary long distance company of your choice, you can still use other companies as well.

Instead of dialing "1" (plus the area code and number), you have to dial a special code assigned to that long distance company for their customers' use (then dial the area code and number).

GREEN MOUNTAIN LONG DISTANCE

As low as **8¢ a minute**

Plan Name	Fees	In Vermont	United States	Canada
Eight Cent Plan If you make a lot of long distance calls and want to maximize your savings, this is the plan for you.	\$3.95 monthly	8¢ per minute	8¢ per minute	24¢ per minute
Thirteen Cent Plan	No Fee	13¢ per minute	13¢ per minute	24¢ per minute
Twelve Cents to Canada Plan	\$4.95 monthly	8¢ per minute	8¢ per minute	12¢ per minute

ONE LOW RATE.

Green Mountain Long Distance Service (GMLDS), from Waitsfield and Champlain Valley Telecom, is pleased to offer four competitive calling plans. With these plans, you simply pay ONE RATE, anytime, anywhere for all of your long distance calls within Vermont and the United States.

One BILL.

You will love the simplicity of receiving a single, easy-to-understand bill for all your telecommunication services. Long distance, local calls and internet access – all from just ONE LOCAL provider. What could be simpler?

GREAT LOCAL SERVICE.

With Green Mountain Long Distance Service you will always get the outstanding LOCAL SERVICE that you have come to expect. Our employees are also your friends and neighbors.

LONG DISTANCE CARRIERS

CHOOSING YOUR IN-STATE & OUT-OF-STATE LONG DISTANCE CARRIER

The following is a list of carriers currently offering long distance service within Waitsfield and Champlain Valley Telecom's serving area. When selecting a long distance carrier it is important to consider several factors: how many long distance calls you make each month, the length of these calls, the time of day you usually make these calls, the geographic location you call, the per minute rate of the provider and any monthly fees, minimums, and other surcharges. Specific rate information can be obtained by contacting the long distance carrier directly at the numbers listed below.

Once you have chosen a carrier, be sure to establish a billing account directly with that company. We also recommend that you contact the carrier you're changing from to avoid any continued monthly charges that they may bill you if you do not contact them. Once you make your selection and initiate a change of carrier, please contact our business office at 800-496-3391 to confirm the long distance carrier is correctly provisioned.

CONSUMER INFORMATION

YOUR RIGHTS & RESPONSIBILITIES

Your complete satisfaction is our ultimate goal and we will make every effort to correct any problems you might be having. The following information describes our customers' rights and responsibilities, summarizes additional calling services and provides additional contact information to help you answer any additional questions or concerns you may have. Please don't hesitate to contact our Customer Service Department at 800-496-3391 or visit us online at www.wcvt.com for further information.

YOUR TELEPHONE BILL

Our goal is to provide you with a clear, easy to read billing statement, while ensuring we meet all state and federal guidelines. Each month you will receive a detailed billing statement listing the charges you subscribe to. It is very important to review your bill thoroughly. Your bill includes charges for local service, optional calling features, Internet and Cable TV services.

While WCVT does provide billing for some third-party companies, we do not control the rates for these other companies' services. Should you have an issue with a rate or charge, please contact the company associated with the charges directly. The name and number of the company charging you for such services are listed in the section of your bill where those charges appear.

If you believe that you were improperly charged for services, you can dispute the charges and request that the company remove them from your bill. As your local telecom provider, we remind you that as part of our service commitment, our business office is always available to answer any questions you may have about your bill. If you have any difficulty in contacting the service providers listed on your bill, or if you're not satisfied with the response you get, please contact our Customer Service Department at 800-496-3391 and we will do our best to help you resolve the problem.

Your bill also clearly details when payment needs to be received, various payment options available, and contact information for Waitsfield and Champlain Valley Telecom. Should you have any questions regarding your bill, please contact our Customer Service Department.

Please note: WCVT follows the Consumer Bill of Rights and Vermont PUC Standards for Billing, Credits and Collections, and Customer Information for Telecommunications. All transactions are in U.S. currency only.

UNRESOLVED COMPLAINTS OR PROBLEMS

Our goal is to satisfy our customers, and we welcome opportunities to improve our service. If you have a question, problem or complaint with services provided by Waitsfield and Champlain Valley Telecom, please contact our Customer Service Department (see How To Reach Us – page 2). If you are still unsatisfied, please ask to speak to a manager, or you may contact the

Vermont Department of Public Service at:

Telephone:.....1-802-828-2811
Consumer Affairs Hotline:.....1-800-622-4496
TTY:1-800-734-8390
Email:psd.consumer@vermont.gov
Write: Vermont Department of
Public Service
Consumer Affairs Division
112 State Street Third Floor
Montpelier, VT 05620-2601

LIFELINE PROGRAM

Lifeline is a federal program that lowers the monthly cost of phone and internet. Eligible customers will get up to \$5.25 toward their bill. You can only use Lifeline for either phone or internet, but not both. The Universal Service Administrative Company (USAC) has been contracted by the Federal Communications Commission (FCC) to oversee the Lifeline program across the country. For more information and to see if you qualify, visit: www.lifelinesupport.org or call 1-800-234-9473.

Privacy

Confidentiality issues are of paramount concern to all of us, and protecting your records is a priority. We strive to maintain high standards for the protection of our customer's privacy and follow rules as governed by the State and FCC. WCVT has established standard policies relating to employee access to customer records and we provide training to our employees about their obligations to protect customer information and to treat it confidentially.

CONSUMER INFORMATION

Your Telephone Account Information Rights

Unless we have your authorization and approval, Waitsfield and Champlain Valley Telecom does not disclose customer information to non-affiliated third parties. However, we may internally use this information to offer you certain other WCVT services such as Internet access and long distance, but only to the extent permitted by government regulations and customer notice and consent requirements.

CONSUMER PROTECTION TIPS

Be Aware of Slamming and Cramming

Slamming is the unauthorized and illegal switching of a customer's preferred long distance company. Federal and state laws prohibit "slamming."

Many times, "slammers" use contest forms or a check made out in your name to effect a change in your account status. Whether or not you realize it, sometimes your signed sweepstakes entry form or an endorsed check is actually a "letter of authorization" giving approval to switch your long distance provider. You may only discover that you have been "slammed" when you receive your bill.

Customers who believe they've been slammed; i.e., that there has been an unauthorized change in their long distance carrier selection, should inform us immediately. Once we receive notification of an unauthorized long distance carrier change, we will advise you of the following:

- Notify you that there is a 30-day absolution period and that you should not pay those charges on your bill.
- Contact your authorized carrier; i.e., your preferred carrier prior to the alleged slamming, to re-establish a long distance calling plan with them.
- Contact the unauthorized carrier immediately regarding the charges. You are entitled to be switched back to the long distance provider of your choice at no charge and to have any disputed charges billed at your original company's rate.
- If the unauthorized long distance provider refuses to comply with your request, you may write a detailed letter to the Federal Communication Commission (FCC) at the following address for help in resolving the dispute:

**Federal Communications Commission
Common Carrier Bureau
Consumer Complaints
445 12th Street, SW
Washington, DC 20554**

To protect against slamming, local telephone companies offer a preferred carrier (PIC) freeze, which prevents any change being made to your selection of a "preferred" long distance provider without your expressed consent to lift the freeze. We make PIC freezes available to customers, regardless of the company selected as the preferred long-distance carrier, and comply with various requirements on the materials we send out about PIC freezes. In addition to specific information about any charges, we also include a clear explanation and description of the specific procedures necessary for you to lift the freeze.

You must request separate PIC freezes for:

- (1) regional (intra-LATA/intrastate) long-distance service, and
- (2) state-to-state (interstate/inter-LATA) and international long-distance service. We must obtain separate authorizations for each service for which you request a freeze.

"Cramming" refers to any charges you find on your bill for services you did not authorize. The charges can be for many things; e.g., voice mail, personal 800 numbers, 900 services, sweepstakes, and other services. We exercise a word of caution when signing up for free items on the Internet as they can also include as authorization for charges that can appear on your telephone bill. Make sure to read all disclaimers ensuring no additional charges or services will be assessed to your telephone bill.

"Cramming" charges generally appear on a separate page of your bill with the billing company's name and contact information. We recommend that you review your bill thoroughly every month to ensure charges being assessed are legitimate. If you suspect a charge has been "crammed" onto your bill, call the company that charged you. Ask for an explanation of the charge and request adjustments or refunds for incorrect or unauthorized items. Since company information can often be hard to get, you can also call us. We have procedures in place to help you respond to incorrect charges listed on your bills.

CONSUMER INFORMATION

OBSCENE, THREATENING OR HARASSING CALLS

If you receive an obscene, threatening or harassing call, hang up quietly. Arguing, talking back, raising your voice or slamming down the phone may encourage additional calls. Make sure everyone in your home, especially children, know how to handle these calls.

If calls persist, contact Waitsfield and Champlain Valley Telecom about Call Trace options. Call Trace allows Waitsfield and Champlain Valley Telecom to provide law enforcement officials with call identifying information from harassing or obscene phone calls under certain circumstances after an investigative file has been opened. If you would like to make arrangements for call trace, please contact our Customer Service Department at 1-800-496-3391 for information about the procedures that will need to be followed. A service rate of \$4.00 per use (\$12.00 maximum per month) is charged only when you activate a trace.

VERMONT TELECOMMUNICATIONS HOW TO REDUCE UNWANTED TELEMARKETING AT HOME

Many people find that telemarketing calls provide them with valuable information about products and services. But if you would rather not receive these calls, a National Do-Not-Call Registry has been established to address consumer concerns about unwelcome telemarketing calls.

The registry applies to all telemarketers (with the exception of certain non-profit and political organizations) and covers both interstate and intrastate telemarketing calls. Commercial telemarketers are not allowed to call you if your number is listed on the registry.

You can register any of your phone numbers for free, and they will remain on the National Do-Not Call Registry indefinitely. You may remove your name from the list at any time. **The Do-Not-Call Registry will not prevent all unwanted calls.**

THE NATIONAL DO-NOT-CALL REGISTRY DOES NOT PREVENT CALLS:

- from organizations with which you have established a business relationship;
- for which you have given prior written consent;
- that are not commercial or do not include unsolicited advertisements;
- from or on behalf of tax-exempt; or
- non-profit organizations.

TO REGISTER BY TELEPHONE:

Consumers may call 1-888-382-1222.

For TTY users, call 1-866-290-4236.

You must call from the phone number you wish to register.

TO REGISTER BY INTERNET:

Visit the National Do-Not-Call Registry website at www.donotcall.gov

Inclusion of your telephone number on the National Do-Not-Call Registry will be effective 31 days following your registration.

CALL SCREENING:

Waitsfield and Champlain Valley Telecom also offers a Telemarketer Call Screening service. For more information please see page 19.

CONSUMER INFORMATION

Important Information Regarding Vermont Relay

Did you know that many Vermonters who are deaf, hard of hearing, or have speech disabilities can now enjoy the convenience of communicating with family, friends or business contacts by telephone? They can, thanks to the Vermont Relay!

Here's how Vermont Relay works:

A person who is deaf, hard of hearing, or may have a speech loss types his/her conversation using a text telephone (TDD/TTY). A specially trained Communications Assistant (CA) relays the message by reading the text message to the hearing person at the other end. The CA then relays the hearing person's spoken words by typing them back to the TDD/TTY user.

Hearing callers who wish to reach people who are deaf, hard of hearing or speech disabled may simply dial 711 or dial 800-253-1095. Text telephone users may also dial 711 or dial 800-253-0191. There is no charge for dialing 711, and all options available to Vermont Relay users through existing 800 numbers are available to 711 users. If you are experiencing trouble dialing 711 to reach the Vermont Relay, please call the local telephone company or Vermont Relay Customer Service.

Relay services for people with Speech Disabilities are also available. Speech-to-Speech (STS) service lets people with speech disabilities communicate on the telephone by using their own voice, or voice-assisted device, through the help of a specially trained CA by dialing either 711 or 1-877-253-0446. To learn more about STS, visit at vermontrelay.com/sts.

Spanish Relay Service is available to Spanish speaking residents of Vermont. To place a Spanish relay call, dial 877-253-5424 (Spanish-to-Spanish).

All services are available 24 hours a day, seven days a week and enable people to place relay calls between Vermont and other locations anywhere in the United States and internationally to English and Spanish speaking persons. By law, each conversation is handled with the strictest confidentiality. There is no charge to access Vermont Relay.

To learn more about Vermont Relay, visit at vermontrelay.com

Relay Conference Captioning (RCC) is a no-cost service available for deaf and hard-of-hearing residents of Vermont. The service allows these individuals to participate in remote meetings, phone calls, videoconferences, and multi-party teleconference calls. To learn more about RCC, visit at vermontrelay.com/rcc.

Special points of interest:

- **Equipment Distribution Program** If you want to learn about the Vermont Relay Distribution Program, please contact The Vermont Center for Independent Living at vcil.org/services/vtedp or call **802-229-0501** (Voice/TTY) or **800-639-1522** (TTY).
- **Emergency Calls** Please note that 711 is only to be used to reach Vermont Relay. For **EMERGENCIES** you should continue to use 911. In an emergency, call 911 or your local emergency service TTY number directly, without using relay. The Americans with Disabilities Act (ADA) requires that 911 centers have TTYs and be prepared to handle emergency calls placed in this manner. Vermont Relay will make every effort to assist you in an emergency. However, it is important to understand that relay centers are not 911 centers and do not assume responsibility for emergency calls.

To place a call, dial 711 or use one of the numbers:

TTY: **800-253-0191**

Voice: **800-253-0195**

Voice Carry-Over: **877-253-8260**

Hearing Carry-Over: **800-253-0191**

Speech-to-Speech: **877-253-0446**

Spanish-to-Spanish: **877-253-5424**

Vermont Relay Customer Support:

FINAL DISCONNECTION NOTICE INFORMATION

(800) 496-3391

1. Your service will be disconnected unless you do one of the following before 3:00 PM on the Must Be Paid On Or Before date printed on your Final Disconnection Notice. A reconnection fee of \$30.00 must be paid in order to restore service.

- A. Pay your overdue local service balance in full. (All Other Services, including the services and discounts associated with any bundle, may still be disconnected if you elect to pay only your Local Service past due balance. Please see the reverse side of this notice for additional information for bundled services customers.)
- B. Enter into an arrangement to pay the overdue balance within three months.
- C. Deny that your local service balance is past due in excess of \$50.00; and submit the dispute to the Vermont Public Utility Commission to their satisfaction to obtain a commission order prohibiting disconnection.
- D. Inform us that you or a family member has a medical emergency, as defined on the reverse of this notice, and provide a medical emergency certificate within 7 days. This exception applies only if the service to be disconnected is your primary residential telephone service.

2. If you are unable to pay the **Local Service past due** amount in full, we will negotiate a reasonable arrangement. If you wish to discuss this matter with us, you should immediately contact our Customer Service Department before the disconnect date at 1-(800)-496-3391, Monday through Friday except holidays, between the hours of 8:00 AM and 5:00 PM.

If you do not believe the terms of your repayment plan are reasonable, you may contact the:

Consumer Affairs Division of the Vermont Department of Public Service at:

- 1-(800)-622-4496, or
- TTY 1-(800)-734-8390 (toll free in Vermont) or
- 1-(802)-828-2332,
- 112 State Street, Montpelier, Vermont 05620-2601, on any day, Monday through Friday, except holidays between 7:45 AM and 4:30 PM.

The Consumer Affairs Division can give you advice and assistance negotiating an agreement or give you information on how to submit a dispute to the Public Service Board.

3. If your service is disconnected, you will be charged a reconnection fee of \$30.00 per line and also, a security deposit equal to two-twelfths of your estimated annual local bill. The security deposit may be paid in installments.

CONTINUING EMERGENCY ACCESS (CEA)

If your main telephone number has been disconnected due to a move or non-payment, you will still have the ability to make 911 calls for at least 180 days. After your residential line has been disconnected, Continuing Emergency Access (CEA) is provided to your Network Interface Device so that you can reach 911 in case of an emergency as well as Waitsfield and Champlain Valley Telecom for any questions you may have about your telephone service.

CONSUMER INFORMATION

STATEMENT OF NONDISCRIMINATION:

Waitsfield and Champlain Valley Telecom is subject to the provisions of Title VI of the Civil Rights Act of 1964, as amended, Section 504 of the Rehabilitation Act of 1973, as amended, and the Age Discrimination Act of 1975, as amended, which provide that no person in the United States on the basis of race, color, national origin, age, or handicap shall be excluded from participation in, admission or access to, denied the benefits of, or otherwise be subjected to discrimination under any of this organization's programs or activities.

NOTICE TO READERS AND USERS OF THIS DIRECTORY:

We have made every effort to ensure that information contained in this Directory is accurate at the time publishing. This information has been obtained from a variety of sources, including the State of Vermont, municipalities, charitable organizations, nonprofit business groups, and others whom we believe to be reliable. However, errors or omissions can and sometimes do occur. Accordingly, we cannot and do not vouch for the complete accuracy or correctness of each and every informational entry in this Directory, and assume or admit to no liability in the event of any such error or omission. The reader is advised to check with other sources of general public information, in case of doubt or questions, to verify any of the information contained in this Directory. That is particularly so with regard to specific information, such as opening/closing times or admission fees. If a reader of this Directory is aware of or notices any information that appears to be inaccurate, she or he is urged to contact us at Waitsfield and Champlain Valley Telecom, P.O. Box 9, Waitsfield, Vermont 05673, (800) 496-3391. Any necessary changes or corrections, however, cannot be made until the next edition of this Directory is published. With regard to listings in the "White Pages," and listings and/or advertisements in its "Yellow Pages," we also assume or admit to no liability for any error or omission in connection therewith, except as provided in the applicable tariffs on file with the appropriate regulatory authorities, or as provided in the terms and conditions applicable to any placement of advertising. In the event of any such error or omission, please notify us immediately at (800) 496-3391. We will correct or change the listing at once in our directory assistance records, but cannot make any written changes to this Directory until the next edition is published.

LINE CONSTRUCTION POLICY

(As set forth in Section 7.0 of Tariff #5, filed with the Vermont Public Service Board)*

Waitsfield and Champlain Valley Telecom (WCVT) will provide 500 feet of normal construction at no charge to customers. Beyond 500 feet the customer's cost is \$1.75 a foot. NOTE: For existing customers requesting a change to their facilities, there will be construction charges associated with the change.

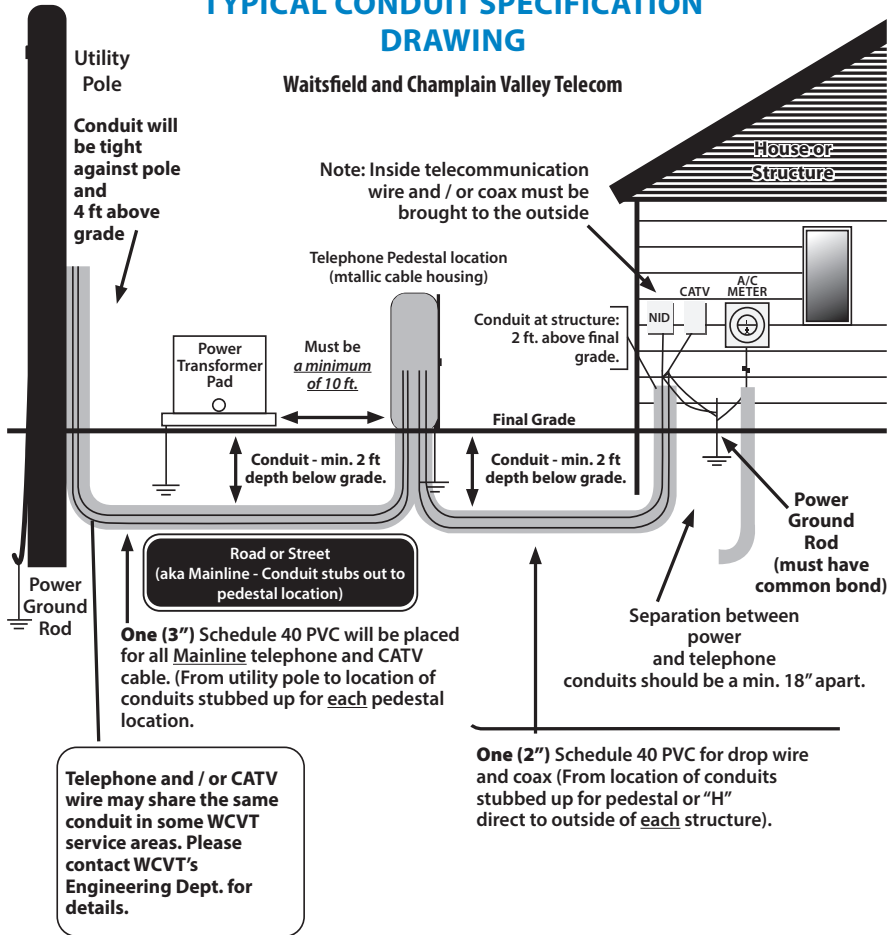

Waitsfield Cable will provide 1,300 feet of normal cable television (CATV) construction at no charge. Beyond 1,300 feet, the customer cost is \$1.25 per foot. NOTE: For existing customers requesting a change to their facilities, there will be construction charges associated with the change.

If an additional customer utilizes any portion beyond 500 feet within three years of its construction, the original customer will receive a prorated refund. WCVT's Engineering Department handles all quotes for specific construction charges and rebates.

It is WCVT's Company Policy to comply with the National Electric and Safety Codes, as well as the specifications of the manufacturer's of cable, equipment and systems within the telecommunications industry.

In general, WCVT's construction is overhead, placed on jointly used power poles. The following specifications must be met if a customer requires buried service:

TYPICAL CONDUIT SPECIFICATION DRAWING

LINE CONSTRUCTION POLICY

CONDUIT REQUIREMENTS:

1. A minimum 2" schedule-40, PVC electrical conduit must be placed to customer's demarcation point (NID location). The conduit must be swept up at least 2 ft at both ends with electrical sweeps, not plumbing elbows.
2. 3" conduit must be placed on all main line feeds. (Ex: from pole to pedestal or from pole to "H" frame / Pressure Treated 4x4 Post or from pedestal to pedestal). This excludes service drops. Maximum distance between pull points will be 500 feet.
3. Conduit will be 4 feet above final grade at utility pole location (plumb and tight to utility pole).
4. Conduit will be 2 ft above final grade at pedestal, "H" frame / Pressure Treated 4x4 Post and on the outside of house or structure.
5. Conduit at mobile home – Preferred Method: Conduit will be tight to the trailer on the outside of skirting. Optional Method: Conduit run will be a maximum of 2 feet from structure on the outside of skirting to a Pressure Treated 4x4 Post or "H" frame. The Pressure Treated Post or "H" frame will be a minimum of 4 feet above final grade.
6. All conduits must have a pull rope (no mason string – this will not be accepted) installed with both ends of the conduit above final grade and securely capped. Pull rope will be continuous, no knots and no splices.
7. Telephone conduit should be placed on the left side of the power conduit (facing structure) and a minimum of 18" away from the power conduit. (See #11)
8. Do Not Reduce conduit size.

*Note: Please visit our website at www.wcvt.com for our complete Line Construction Policy detailing conduit placement, bonding and grounding information and customer wiring requirements or contact our Engineering Department at 1-800-496-3391.

TROUBLESHOOTING

TIPS FOR TROUBLESHOOTING...

...YOUR TELEPHONE CONNECTION

If you are having problems with your telephone line, please try these easy steps before contacting our Repair Department.

Start by Checking Your Telephones

- Determine if the problem resides on one or all of your telephones.
- If the problem is with only one telephone, test that telephone in another jack. If it still doesn't work that telephone is probably bad.
- If the telephone works in a different jack, go back to the jack where the trouble started and test it again with a different telephone. If neither telephone works, there may be a problem with the wiring to that jack.
- If neither of your telephones work after testing each telephone and jack separately, the problem may be in your wiring.

How to Check Your Wiring

Follow these easy steps to determine if the trouble is your responsibility or ours (see figure 2).

- Locate the Network Interface Device (NID) typically located on the outside of your home or business
- Disconnect the modular plug from the test jack (see figure 1).
- Plug a working telephone into the "test jack" with a modular line cord. If you receive a dial tone, the problem is with your wiring or equipment.
- If you do not receive a dial tone, the problem is most likely with our facilities. Please contact our Repair Dept. at: **1-800-496-3393**.

If You Don't Have a NID

If you follow the trouble shooting tips and determine that there may be a problem with your wiring, but cannot locate a Network Interface Device (NID), call our repair department and explain the situation.

...YOUR INTERNET CONNECTION

If you are having problems with your Internet connection, please try the following before contacting technical support:

- Try rebooting (powering down & then up) your computer and modem. This easy step solves 50% of the problems that our technical support staff deals with on a daily basis.
- If you are not able to connect to the Internet make sure that all of your cables are connected. If they are, check for a dial tone. If there is no dial tone, you should contact our repair department. If you continue to experience technical difficulties, please have the following information available and contact our Tech Support Dept. at: **1-802-496-8598 or 1-888-321-0815**.
- Have as much information as possible. If your computer locks up, know what program is running. If you receive an error message, write it down.
- Before you call, be at your computer and have it turned on. Our technicians may have to ask for specifics regarding your computer configuration in order to fix the problem.

TROUBLESHOOTING

WIRE MAINTENANCE PLAN

For only \$5.95 a month, you can subscribe to our Wire Maintenance Plan.

The plan is designed to reduce the cost of possible repair charges and covers the inside wiring at your residence or business. In addition, the plan covers full replacement of battery and/or charger at any time due to a performance failure for Fiber-to-the-Home customers.

DEDICATION

MAD RIVER VALLEY AMBULANCE SERVICE

Mad River Valley Ambulance Service

In 1970, concerned community members decided it was time for the Mad River Valley to have its own ambulance service. Nine hard working determined men signed the Articles of Association, and for many years MRVAS was housed at the Waitsfield Fire Station.

In the year 2000, it became clear that MRVAS needed a new, permanent home of its own. After 75 years as a garage and service station, the Bonnette Building, part of the Waitsfield Historical District, became MRVAS' home. The Mad River Valley Community rose to the occasion and successfully raised \$450,000 to purchase and renovate the building. Renovations included a 4-bay garage with radiant heat, hazmat shower, equipment lockers, training space, administrative office, board meeting room and kitchen.

Since then, the Mad River Valley Ambulance Service has been providing 24-hour Emergency Medical Service to residents and visitors of the Mad River Valley and the Sugarbush & Mad River Glen ski areas. Since its inception, MRVAS has undergone considerable growth to keep pace with the growing needs of the community as well as advances in emergency medical care.

TOWN OF FAYSTON

Mad River Glen's unique and extensive trail system follows the natural contours of the mountain as it descends down General Stark Mountain. The original developers of Mad River Glen worked with nature to create a ski area that is now recognized for the best ski terrain in New England. The mountain's abundant natural snowfall, northern exposure, and bowl shape work together to create a ski area that holds snow like no other.

MOUNTAIN STATS & FACTS

General Stark Mountain Elevation: 3,637 ft

Base Elevation: 1,600 ft

Vertical Drop: 2,037 ft

Trails: 45 marked trails plus boundary-to-boundary off-piste access.

20% Novice - 35% Intermediate -

45% Expert

Skiable Terrain: 115 acres of the least crowded slopes and trails in New England, plus 800 acres of legendary tree skiing.

Lifts: 1 Single Chairlift – "America's favorite chairlift," the last surviving diesel-powered Single Chairlift in North America.

3 Double Chairlifts

1 Handle Tow

Uphill Capacity: 3,574 skiers per hour

Average Annual Snowfall: 250 inches

Snowmaking: 15% coverage, predominantly on the high traffic, low elevation terrain.

ACTIVITIES & SERVICES

- Ski School for All Ability Levels in both Alpine & Telemarks
- Alpine & Telemark Equipment Rentals
- Cricket Club Daycare for Kids 6 Weeks to 6 Year.
- The Basebox - This rustic lodge is the hub of the Mad River Glen community. Here you will find our award-winning cafeteria offering a smorgasbord of our famous home cooking.
- General Stark's Pub - Offers up Mad River's famous conviviality along with hearty pub fare and a classic setting to discuss your on slope exploits.

- The Birdcage - On-mountain lodge located at the base of the Birdland Lift. The "Cage" is a great place to meet for a quick warm-up or for hot drinks and snacks.

COME FOR THE MOUNTAINS - STAY FOR THE VALLEY

Where many come for the mountains but stay for the authentic experience Vermont's Mad River Valley offers all year long, a unique combination of community and resort, that has to be visited—or moved to—to really appreciate. Discover the skiing, hiking, food and fun of this part of Vermont!

SPRING

Spring is like a secret treasure around here. The transition between winter and summer is quiet, peaceful, and brings out a different kind of beauty in the Mad River Valley. As the snow melts, and the trees bloom, the weather is unpredictable but the fresh air is not! The Mad River has so many things to do in spring. You may be skiing, biking, swimming, or just exploring. But every day is a good day to be here.

SUMMER

Summer in the Mad River Valley is why we all live here! Our long, warm days, our mountain peaks and our Mad River create a continuous backdrop for all kinds of adventure, relaxation and things to do in Vermont. Our community comes alive with vibrant events that bring people together. However you choose to spend your day here, there will be more to discover tomorrow.

FALL

Yes, the leaves on our trees turn vibrant shades of yellow, orange, and red in the fall! 'Leaf peeping' is a popular Vermont activity this time of year. Here, the fun is in choosing how to take in the view. Whether by car, by road bike, by mountain bike, by foot, by kayak, by horseback, or by chairlift or glider, the Mad River Valley offers a fun perspective on the changing landscape and many fun events and activities.

WINTER

It's true, here you'll find some of the best Alpine, Nordic, and Backcountry skiing in the east! But what's really awesome about the Mad River Valley is that there are also plenty of off-mountain activities and other things to do in our part of Vermont to keep everyone entertained. Whether you want to be out in the snow, or inside with the snow in view, you're sure to enjoy your Vermont winter getaway.

VERMONT NATURE PROGRAMS

The Department of Forests, Parks and Recreation sponsors a summer naturalist program. From mid-June to Labor Day, naturalists live in parks throughout Vermont and schedule weekly events. Programs may include:

Astronomy
Hikes to unique areas
Guided nature walks
Nature movies
Campfire programs

Guest speakers
Indian and early American crafts
Canoe and boat outings
Visits to historic sites
Junior naturalist activities

Naturalists will also lead programs for groups such as scouts or nature clubs. Naturalists are located at the following parks:

EXPERIENCE VERMONT STATE PARKS

With over 50 Parks, there is an outdoor pursuit for every interest – hiking, biking, picnicking, camping or boating to cross-country skiing and snowmobiling. Try your luck at fishing or wildlife viewing. Camp at one of over 2200 sites with a tent, trailer, RV or in a lean-to or rustic cabin. Or hold your family reunion or wedding in a Park shelter.

Spend a day, a night, or a week in Vermont State Parks. Reserve space ahead or just stop in. You are always welcome.

There's a lot to experience in Vermont State Parks.*

The following are Vermont State Park regional addresses where reservations can be made from the first Tuesday in January through May 14. During season, contact the park directly.

Region I: Southeast VT

100 Mineral St., Suite 304
 Springfield, VT 05156
 Central Number: 802-885-8855
 Reservations: 800-299-3071 or 802-855-8891

Region II: Southwest VT

317 Sanitorium Road, West Wing
 Pittsford, VT 05763-9358
 Central Number: 802-483-2314
 Reservations: 800-658-1622 or 802-483-2001

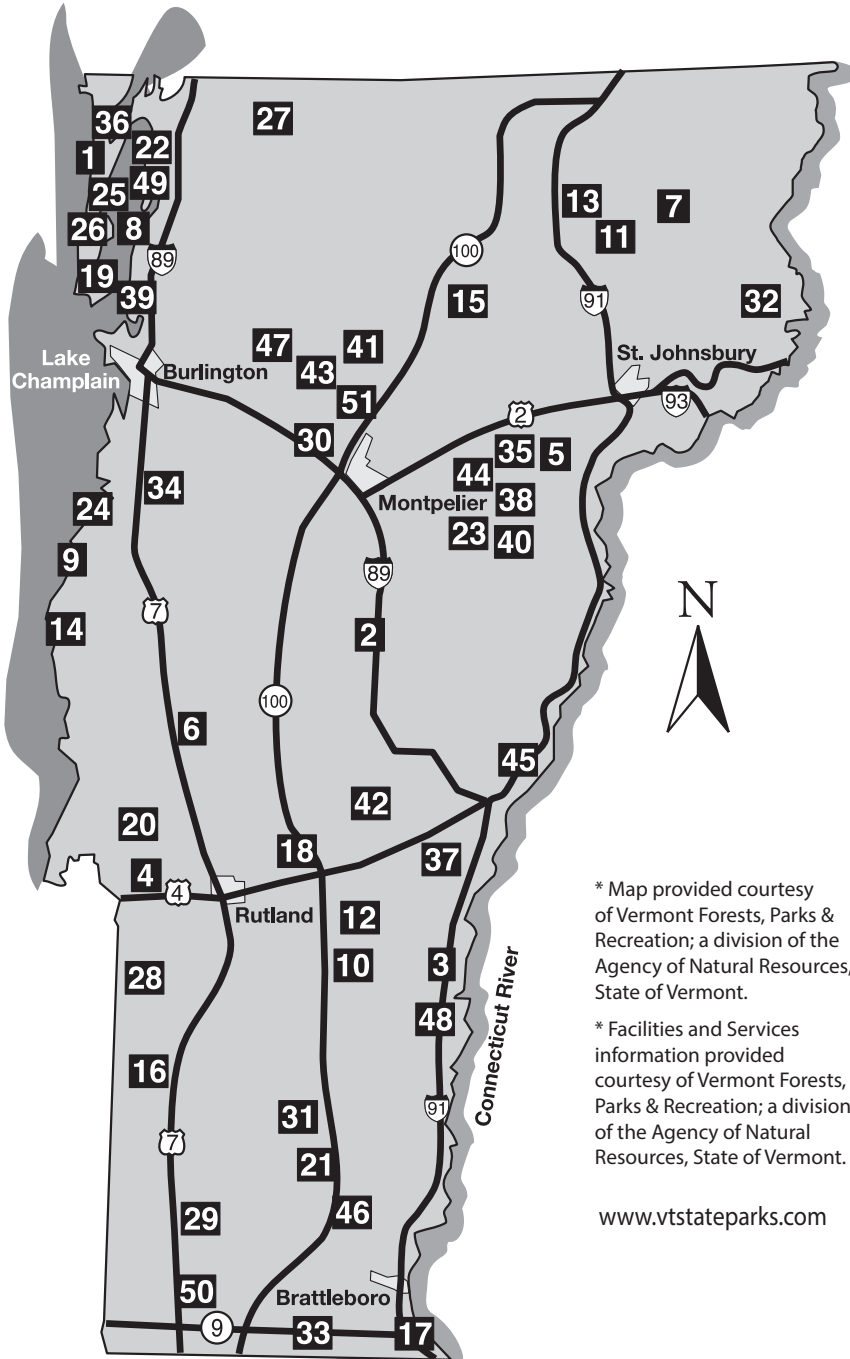

Region III: Northwest VT

111 West Street
 Essex Junction, VT 05452-4695
 Central Number: 802-879-6565
 Reservations: 800-252-2363 or 802-879-5674

Region IV: Northeast VT

324 North Main Street
 Barre, VT 05641-4109
 Central Number: 802-476-0170
 Reservations: 800-658-6934 or 802-479-4280

SUGARHOUSES & SNOWMOBILING

WASHINGTON COUNTY SUGARHOUSES

Vermont is the leading producer of maple syrup in the United States with an annual average yield of half a million gallons. While many sugarhouses have gift stores open year-round, the actual tapping of maple trees and boiling of sap is limited to the early spring.

The sugaring season usually begins in southern Vermont in late February and continues through March and well into April in northern Vermont. The sap only flows when weather conditions provide the right combination of freezing nights and warmer days. To make one gallon of syrup sugarmakers must boil down approximately forty gallons of sap. An average tree provides ten gallons of sap, so millions of sugar maple trees are tapped for the annual harvest. These stands of trees are called “sugarbushes” or “maple orchards” and the boiling of sap takes place in a sugarhouse with a characteristic vented roof.

Warm and weather-proof clothing is recommended for touring sugarhouses and the sugarbush. It is also recommended that the visitor call ahead, whether it’s just to look around or to arrange a sugar-on-snow party.

SNOWMOBILING IN THE MAD RIVER VALLEY

Snowmobile enthusiasts will find the Mad River Valley an excellent location for trail riding and accommodations. VAST Corridor Trails run throughout the towns of Waitsfield, Moretown, and Fayston. Several different routes out of the Valley include Northfield, Huntington, and Waterbury. From there, a rider can connect with other trail systems all over the state.

Local trail systems offer spectacular views. Weekly grooming of the trails by local club members allow riding well into early spring. Trails in the Mad River Valley are well maintained and can accommodate riding abilities from beginner to expert. Services are available along the trails in several locations offering food, gas, and lodging.

Membership in VAST (Vermont Association of Snow Travelers) as well as any local snowmobile club (Mad River Ridge Runners here in the Valley) is mandatory prior to riding on the VAST trail systems in Vermont. VAST and club memberships are available at Kenyon’s Variety in Waitsfield (496-3922).

GETTING AROUND

FERRY SCHEDULES

Fort Ticonderoga Ferry..... 802-897-7999

Crossings between Shoreham and Ticonderoga, NY
May - October

Lake Champlain Ferries..... 802-864-9804

Crossings between Burlington and Port Kent, NY
May - October, 1 hr. crossing, 8:00AM to 6:35PM

Crossings between Charlotte and Essex, NY
Year Round, 20 minute crossing (weather permitting)

Crossings between Grand Isle and Plattsburgh, NY
Year Round, 12 minute crossing, 24 hours
(weather permitting). For more information, go to: www.ferries.com.

CRUISES

Spirit of Ethan Allen Cruises 802-862-8300

Burlington - (May-Oct) 500 passenger, triple-deck luxury cruise ship. Sight-seeing, lunch, brunch, sunset & dinner cruises. Decks are enclosed and heated. For more information, see our website: www.soea.com

BICYCLE TOURS (REGIONAL)

Bristol – 30.5 mi.

Mile .. Easy to moderate terrain

0.0.....from traffic light in Bristol, go north on North Street.

2.0.....bear right to stay on main road.

14.2...turn right at the stop sign onto Route 116 south.

30.5...return to Bristol. Swimming in New Haven River, upstream from bridge, mile 29.2.

Cambridge – 24 mi.

Mile .. Easy to moderate terrain

0.0.....from Cambridge go west on Route 15.

7.....turn left to stay on Route 15.

10.4...turn left in Underhill Flats toward Underhill Center.

10.8...at the "T" turn left onto Pleasant Valley Road.

20.0...bear left at the fork toward Cambridge.

24.....return to Cambridge. Swimming in Browns River between mile 10.8 and 13.5.

Craftsbury – 28.8 mi.

Mile .. Moderate to challenging terrain

0.0.....from Craftsbury head north toward Craftsbury Common.

3.9.....turn left at the stop sign onto Route 14 south.

5.9.....turn right toward N. Wolcott.

14.9...bear right at the fork then turn left onto Route 15 east.

21.4...turn left onto Route 14 north.

27.2...turn right toward Craftsbury, just after Eligo Lake.

28.8...return to Craftsbury. Swimming in Eligo Lake, mile 27.0.

BICYCLE TOURS (REGIONAL)

Crystal Lake/Lake Willoughby – 20.2 mi.

Mile .. Moderate terrain

0.0.....from Crystal Lake State Park Campground, go right on Route 16 north.

7.....turn left onto Route 5A north.

8.3.....turn left onto Route 58 toward Orleans.

15.4...turn left onto Route 5 south following signs for Barton.

20.2...return to Barton and State Park. Swimming in Lake Willoughby (public beach).

Grafton – 37.6 miles

Mile .. Easy to moderate terrain

0.0.....from Grafton take Route 35 north toward Chester.

6.7.....turn right at the stop sign onto Route 11.

7.2.....turn left to stay on Route 11.

14.2...turn right to stay on Route 11.

15.2...bear right just after bridge onto South Street.

20.2...turn right onto Brockways Mills Road.

21.....bear left to stay on main road.

25.2...turn left across bridge.

25.6...turn left onto Route 103 then, in 0.2 miles, turn right toward Saxtons River.

30.6...at the stop sign, turn right onto Route 121 west.

33.6...turn right at the "T" in Cambridgeport to stay on Route 121 west.

37.6...return to Grafton. Swimming in Saxton River along Route 121.

Lake Champlain – 26 miles

Mile .. Easy terrain

0.0.....straight out of Basin Harbor Drive.

0.3.....go right on Button Bay Road.

1.1.....right on Arnold Bay Road.

4.2.....right at bend, sign ahead says Pease Road. Follow road along the lake.

11.0...intersection of Route 17, right toward Chimney Point.

13.0...Chimney Point. To return to Basin Harbor, you may follow the same routes and revisit the lake sights or follow the same route until Potash Bay. Troy – 31.2 miles

Mile .. Easy terrain

- 0.0, from Troy go east on Route 100.
- 5.8.....bear right onto Route 14 toward Coventry.
- 10.9 ...turn right to stay on Route 14.
- 11.4 ...turn right again to stay on Route 14.
- 15.2 ...turn right onto Route 58 west toward Lowell.
- 23.3 ...turn right onto Route 100 north.
- 31.1 ...return to Troy. Swimming in Missisquoi River, mile 25.1.

Warren – 30 miles

Mile .. Moderate terrain

- 0.0.....from Warren Store turn right then bear right to go over the covered bridge.
- 1.0.....turn right onto Route 100 north.
- 3.2.....turn left onto Sugarbush Access Road.
- 12.0 ...turn right onto German Flats Road.
- 15.6 ...turn right at the “T” onto Route 17 east.
- 17.2 ...turn left onto Route 100 north.
- 19.4 ...turn right onto East Warren Road and cross the covered bridge.
- 19.8 ...go straight at the fork toward East Warren.
- 27.1 ...follow the main road as it curves to the right.
- 29.9 ...turn left at the yield sign.
- 30.0 ...return to Warren Store. Swimming in Mad River, Waitsfield, mile 19.5.

Woodstock – 31 miles

Mile .. Easy terrain

- 0.0.....from Woodstock go west on Route 4 toward Bridgewater Corners.
- 12.5 ...turn left at West Bridgewater onto Route 100 south.
- 17.5 ...turn left onto Route 100A.
- 24.5 ...turn right at the stop sign onto Route 4 toward Woodstock.
- 31.0 ...return to Woodstock. Swimming in Ottaquechee River along Route 4.

HIKES & BIKES

MOUNTAIN BIKING IN THE MAD RIVER VALLEY

Thanks to: John Atkinson,
Chairman, Sugarbush Stoke Exchange at Sugarbush Resort

Welcome to the heart of the Vermont mountain biking! The Mad River Valley is home to some of the oldest and best trails in the state, with a thriving bike culture that embraces everything from lift-served downhill at Sugarbush to world-class road riding on the App Gap.

The myriad dirt roads in the Valley are important for accessing trails and linking areas, in addition to being beautiful in their own right. Expect steep sustained pitches on most dirt roads.

The Mad River Riders, one of the founding chapters of Vermont Mountain Bike Association, is responsible for many of the Valley's trails. The networks of trails are made possible through combined efforts of the Mad River Riders, the Mad River Path Association, Vermont State Department of Forests, Parks and Recreation, Sugarbush Resort, Green Mountain National Forest, the Towns of Warren, Waitsfield, Fayston and Moretown and many private landowners.

Volunteer help is always welcome.

The Valley's trails are generally characterized by long technical climbs and descents. There are awesome views on some trails, but in the height of summer growth, they can feel like a green tunnel. Not all intersections are marked, be prepared to navigate. Always carry tools, food, water, extra clothing, communication, and leave your route plan with somebody. You don't have to be far away to be far away from help.

Some of the most popular MRV riding is in the Howe Block and Phen Basin sections of Camel's Hump State Forest. Below are trail descriptions and ratings for the trails in these areas. For a map and descriptions of the full Mad River Riders network, please visit madriverriders.com.

Trails are rated:

●=Easy ■ = More Difficult ◆ = Most Difficult

The score of 1-5 (easy to difficult) refers to:

- Aerobic challenge (down/up)
- Technical challenge
- Flow

These are relative scales, based on local conditions. Hazardous terrain and features exist throughout the network. Inspect everything before riding. Choose to walk or avoid things beyond your abilities or comfort level.

Please ... stay on the trails, follow Leave No Trace principles, yield to hikers, horses and anyone below you, respect landowners, stay safe, have fun, learn something, look before you leap, consider conditions, use your head, help with trail work, be friendly, share graciously, say hi, thank much, enjoy often, support our partners, join the Mad River Path and the Mad River Riders, try downhill, be prepared, smile wide, eat well, linger long, go forth and pedal.

Camel's Hump State Forest—

Howe Block / Tucker Hill Rd.

Access & Parking: Waitsfield Village, Stark Mountain Bikes, Tucker Hill Rd.- CHSF parking lot (easiest), Dana Hill Rd (not recommended for driving)

Enchanted Forest ■

Aerobic: 2/3 • Tech: 3 • Flow: 5

The Enchanted Forest winds gently through mixed woods on the Tucker Hill side, gradually transitioning into a large pine plantation on the Dana Hill side. The trail is generally ridden from Tucker Hill Rd. to Dana Hill Rd. or as a teardrop loop with the Cyclone Connector. At the four-way intersection in the maple sap lines, continue straight. Stay straight at the Cyclone Connector intersection. Look for fun whoop-de-dos and jumps, watch for the normally-dry streambed crossing.

Cyclone Connector ■

Aerobic: 2/3 • Tech: 3 • Flow: 4

Cyclone Connector splits at a big intersection just below the top of the Enchanted Forest. Look for the Cyclone entrance on the left after the second stream crossing, just before Dana Hill Rd. Accessible from Dana Hill Rd., above the entrance to the Clinic trail. A metal pole marks this trailhead.

Cyclone ◆ ◆

Aerobic: 3/5 • Tech: 5 • Flow: 4

The Cyclone's endless twisty turns are riddled with roots, rock faces, log rolls, short burst climbs, flowy downhill, bridges and berms.

Clinic ◆ ◆

Aerobic: 3/5 • Tech: 4 • Flow: 4

From top to bottom, this Valley classic is a "clinic of bike skills." Be careful to go right on Busternut soon after the double stream crossing to return to Dana Hill Rd. Please stay on state land here, marked with orange blazes.

Camel's Hump State Forest—

Phen Basin—

Access & Parking: There are no official parking areas close to these trails, although you can legally park on the sides of dirt roads, discreetly and respectfully.

East Loop ■ ◆

Aerobic: 3/4 • Tech: 3 • Flow: 4

At the top of Stagecoach Rd. enter Phen Basin on a doubletrack trail (Bassett Hill), keeping a close eye for a sharp right on to the East Loop. Half way down, there is a cut-off to the Chain Gang, or you can continue down for more riding.

HIKES & BIKES

Chain Gang ◆

Aerobic: 3/5 • Tech: 4 • Flow: 4

From the Bassett Hill trail, look for a signed intersection for VAST RT 17W and the Chain Gang. Follow south to the Chain Gang entrance. Chain Gang is tough fun riding, with lots of rock. Exit on Phen Rd.

Bassett Hill ■ ◆

Aerobic: 3/4 • Tech: 3 • Flow: 3

Bassett Hill is ridden as access to East Loop and Chain Gang or as a connector to Bassett Hill Rd in North Fayston.

The Mad River Riders also recommend visiting Sugarbush and the Mad River Path.

Sugarbush Resort ● ■ ◆ sugarbush.com

Access & Parking: Park at Lincoln Peak base area or ride up from town. Lift-served downhill and free-ride trails, with terrain parks, dirt jumps, and constructed features. Free trail riding. There's also a great easy loop below the mountain on the south side of the Access Rd.

Mad River Path ● ■ ◆ madriverpath.com

There are several sections of the Mad River Path throughout the Valley, most of which are easy and family friendly. Please help us fully connect the Mad River Path!

ROAD BIKING IN THE MAD RIVER VALLEY & BEYOND

Appalachian Gap

From Rt 100 in Waitsfield, take Rt 17 to the top of App Gap. This 6.3 mile climb of 1,600 ft. has a series of steep switchbacks and grades in the last 1.5 miles.

Appalachian Gap— Middlebury Gap Tour

From Rt 100 in Waitsfield, take Rt 17 over the Appalachian Gap 16 miles to Rt 116. Turn left on Rt 116, four miles through the village of Bristol. One mile past Bristol, turn left and continue south on Rt 116 to East Middlebury for a total of 34 miles traveled. (At this point, you may ride into Middlebury adding six miles to the trip.) Turn left on Rt 125 and make the 10 mile climb up Middlebury Gap (2,149 ft.) and down to Hancock on Rt 100. Turn left on Rt 100, riding through Granville and Warren. The tour covers 70 miles and two demanding mountain passes.

Appalachian Gap — Richmond

From Rt 100 in Waitsfield, take Rt 17 over the Gap. The first section of the descent on the back side is extremely steep, and it is a fast and curvy 2.7 miles down to the right turn for Huntington and Richmond. A more enjoyable and fast six miles into Huntington Center is followed by rolling terrain and a long hill down to Richmond for a total of 24 miles covered. Turn right on Rt 2 to Waterbury, ride through Waterbury, and turn right on Rt 100 back to Waitsfield. Distance covered is 51 miles. For a longer variation, from the Gap ride to Rt 116, turn right and travel through Hinesburg, then onto Rt 2A to Williston, and east on Rt 2 to Water-bury for a total of 72 miles.

German Flats Road Loop

From Rt 100 in Waitsfield, take Rt 17 approximately two miles. Turn left on German Flats Road and after about four miles, left again at Sugarbush Inn. A long hill takes you down to Rt 100 which you take (turning left) back to Waitsfield.

Granville Gulf

From Rt 100 in Warren, ride south to Granville through scenic Granville Gulf for approximately 9 miles. Return the same way. Continuing south on Rt 100 from Granville to Rochester adds another eight miles for a total ride of 34 miles.

Montpelier — Randolph Loop

From Rt 100 in Waitsfield, ride north through Moretown on Rt 100B to Middlesex (13 miles). Turn right on Rt 2 toward Montpelier. From Montpelier, take Rt 12 south through Northfield and Northfield Center (30 miles total) and bear right onto Rt 12A. Ride through Roxbury and West Braintree rejoining Rt 12 in Randolph at 51 miles. Continuing south, just beyond Bethel (59 miles), take Rt 107 west to Rt 100 (69 miles). Turn north on Rt 100; return to Mad River Valley riding through Stockbridge, Rochester, Hancock (82 miles at this point), Granville and on to Warren and Waitsfield. This loop covers 102 miles.

Waitsfield — Warren Loop

From Waitsfield, take Bridge St. east 0.4 miles and continue on East Warren Road to the Four Corners in East Warren. Continue south to Brook Road and turn right traveling to Warren. From Warren, turn right on Rt 100 to Waitsfield. This loop covers 14 miles.

Waitsfield — Warren on Rt 100

From Waitsfield, take Rt 100 to Warren five or six miles. Return by the same route. This is a pleasant ride with no big hills, but you may want to plan your ride for the least busy times of day. Rt 100 has a fairly adequately paved shoulder and the pavement is in good shape. Distance is 10 - 12 miles roundtrip.

Waterbury — Middlesex Loop

From Rt 100 in Waitsfield, ride north to Waterbury (there is a climb followed by a nice descent). Turn right onto Rt 2 south to Middlesex (gentle terrain, little traffic). In Middlesex (16 miles traveled), turn right onto Rt 100B through Moretown back to Rt 100, continuing south to Waitsfield. Distance is 29 miles.

HIKES & BIKES

BACK ROAD WALKS

East Warren Road - 6.8 miles

A very popular route to ride, run or walk offering spectacular views of the ski areas. Paved, but traffic. From Waitsfield, take Bridge Street and drive 2.7 miles to the junction of East Warren Road and Waitsfield Common Road. Park here. Walk south on East Warren Road to its end at the four corner intersection. Return by the same route.

North Fayston Loop - 4.2 miles

This upper basin is a remote area offering completely different vistas. From Waitsfield, drive north on Rt 100 approximately three miles. Turn left on North Fayston Road and drive 2.8 miles to an old cemetery. Park here. Continue up the North Fayston Road for about 1.3 miles, bear left at the four corners and proceed another 1.3 miles before turning left again and descending through the woods back to your car.

Plunkton Road Loop - 3.7 miles

Rolling open terrain, offering some of the best views in the valley. Drive up Brook Road from Warren to the Roxbury Mountain Road four corners. Park here. Walk east on Roxbury Mountain Road for 0.6 miles. Turn right at the first road (Senor Road). Continue on Senor Road for 1.4 miles before turning right again. Walk 0.5 miles, turn right at the first intersection and walk along Plunkton Road back to the four corners.

North Road to Moretown - 4 miles

This route parallels the Mad River and is a lovely, peaceful walk. From Waitsfield, drive north on Rt 100 approximately a mile to Tremblay Road. Turn right and continue 0.8 miles and park at the junction. Walk north on North Road to Moretown. Eight mile roundtrip.

Waitsfield Common to

East Warren Road - 5.4 miles

Great views can be seen along this route. From Waitsfield, take Bridge Street 0.4 miles and bear left at the fork. Take Cat Joslin Road one mile to Waitsfield Common Cemetery. Park here. Walk south on Common Road (gravel) 2.7 miles to the paved East Warren Road. Return by same route.

West Hill - Inferno Road Loop - 5.8 miles

A hilly scenic country road loop offering both wooded and open sections. Over half paved. From Warren, walk south through the covered bridge, across Rt 100 and two miles up Lincoln Gap Road to West Hill Road. Turn right on West Hill Road and up a long hill, passing Inferno Road on the left. Bear right and continue to follow West Hill Road through the golf course and past Golf Course Road on the left. West Hill will descend to Rt 100. Cross Rt 100 and head back into Warren.

Mad River Paths

The Mad River Path Association presents several year round paths throughout the Mad River Valley. Altogether, these paths provide a variety of experiences and recreational opportunities, such as walking, hiking, running, biking and cross-country skiing.

The mission of the Mad River Path Association is to build, maintain, support and conserve a system of continuous public pathways from Warren to Moretown to foster a healthy community by connecting the people, schools, businesses and special places of the Mad River Valley.

Millbrook Path

Part of the Catamount trail system in Fayston, this trail meanders up and down the hill between Millbrook Lodge, past Tucker Hill Lodge and onto German Flats Road, crosses in to Hiddenwood (where there is an entrance to the next trail) and ends at Mad River Barn, the northern most terminus of the trail. The path is in a woodland of tall spruces, hemlock, birches and maples. It crosses a small stream several times with rustic wooden bridges.

Village Path

This is a relatively flat path. Beginning at the Laundromat in Fiddlers' Green, it travels past Irasville Common to the Irasville Cemetery to Rt 100. The path continues across Rt 100, travels north around Slow Road, circles the Skatium and ends at the Mad River Valley Chamber of Commerce. Follow the signs.

Warren Path

From Warren, take Brook Road to the Warren Elementary School and Brooks Field. This is a beautiful woodland path and is a wonderful spot for a tranquil walk among the trees.

From Waitsfield Common Road.

HIKES & BIKES

HIKING (LOCAL)

Hiking information included in this section is from the Green Mountain Club's guidebooks, the Long Trail Guide and Day Hiker's Guide to Vermont. Together, these books provide information on nearly all hiking trails in the state. They are available for sale from the GMC or area bookstores.

The Green Mountain Club maintains, manages, and protects Vermont's historic 445-mile Long Trail System and advocates for hiking opportunities in Vermont. For hiking information, or to become a member, contact the GMC at 4711 Waterbury-Stowe Road, Waterbury Center, Vermont 05677; (802) 244-7037; gmc@greenmountainclub.org; or on the web at www.greenmountainclub.org. The Green Mountain Club's Marvin B. Gameroff Hiker Center and Bookstore is located on Route 100 in Waterbury Center, five miles north from I-89.

APPALACHIAN GAP TO LINCOLN GAP

Take the Long Trail South from Appalachian Gap or the Long Trail North from Lincoln Gap. From the north, Mt. Ellen (4,083 ft.) is reached after 5.3 miles and Lincoln Peak after 8.2 miles. An arduous, but very rewarding hike offering beautiful views from the high, rugged, and at times, very narrow ridge of the Green Mountains. Take precautions with regard to the weather and make sure you are up to it physically. It is a high and exposed ridge with escape routes down the ski runs. **Distance from gap to gap is 11.6 miles taking five to eight hours.**

GENERAL STARK MOUNTAIN

From Rt 100, take Rt 17 to the Appalachian Gap. Take the Long Trail South for 3.1 miles to the summit, passing the top of the Mad River Glen Ski area. There are three overnight shelters near the summit (Theron Dean, Stark's Nest, and Glen Ellen Lodge). **Distance is 6.2 miles taking four to five hours. Elevation gain is 1,297 ft.**

MT. ABRAHAM

From Rt 100 in Warren, take Lincoln Gap Road. Park at the top of Lincoln Gap and follow Long Trail North for 2.6 miles passing the Battell Shelter after 1.8 miles. The rocky summit is above timberline and offers panoramic views. This is a well traveled trail and a good hike for kids. Descend by the same route. (Lincoln Peak is .8 miles farther north on Long Trail and the descent is by the ski trails Sugarbush South Basin.) **Distance is 5.2 miles taking three to four hours. Elevation gain is 1,596 ft.**

MT. ELLEN - SUGARBUSH LOOP

From Sugarbush North parking lot, follow the service road (left side of ski area) to the top of Mt. Ellen (4,083 ft.). Follow Long Trail South 1.6 miles to the Castlerock chair lift at South Basin. Walk down the ski runs to the South Basin parking area. **Distance is 5.5 miles taking four to six hours. Elevation gain is 2,500 ft.**

SUNSET ROCK

From Rt 100 in Warren, take Lincoln Gap Road. Park at the top of Lincoln Gap and follow Long Trail South. Trail climbs steeply at first, then gently up and down before opening abruptly onto Sunset Rock (1.1 mi.). **Distance is 2.2 miles taking two hours. Elevation gain is 500 ft.**

HIKING (CENTRAL & NORTHERN VERMONT)

Abbey Pond (Ripton)

Reach the trail by turning east off RT 116, 4.3 miles north of RT 125 (Abbey Pond Road). The dirt road forks immediately; take the right fork. Proceed 0.4 mi. to an intersection. The trail goes straight ahead from here. Park well off the roads as they are used by gravel trucks.

From the dirt road (0.0 mi.), the trail follows an old woods road and crosses the outlet of Abbey Pond just below a series of cascades (0.2 mi.). Soon swinging to the right and climbing steadily, the trail recrosses the brook (0.6 mi.) and bears to the left at a fork (0.9 mi.) before continuing on easy grades to a third and final brook crossing (1.2 mi.). After bearing away from the brook (1.4 mi.), the trail ascends gradually through occasional wet areas to reach the pond near its outlet (1.9 mi.). **Round trip 3.9 miles. Ascent 1,160 ft.**

Bolton Valley

From I-89 South take Exit 10 (Waterbury /Stowe). Take Rt 2 West to Bolton, a 7-mile drive. Take a right on to Bolton Valley Access Road. From I-89 North take Exit 11 (Richmond). Take Rt 2 East to Bolton, a 6-mile drive. Take a left on to Bolton Valley Access Road. Trails accommodate all ability levels. Access to Long Trail and Catamount Trail. Beautiful views of natural surroundings and wildlife. **Elevation gain is 3,130 ft.**

HIKES & BIKES

HIKING (CENTRAL & NORTHERN VERMONT)

Camel's Hump via Forestry Trail (Duxbury)

This trail begins at the west end of the Couching Lion Farm site parking lot. To reach the trailhead, follow the River Road 5.1 miles west of RT 100 in Waterbury. Turn left onto Camel's Hump Road and continue south 3.7 mi., bearing left at a major fork about half way, to the parking at the end of the road. The final 1/4 mile of this road is not maintained in winter, but the state maintains a winter recreation parking area to the east of a spur road opposite the last house on the road. Be warned that this is a very popular parking lot (40,000 visitors yearly), and space is at a premium on weekends.

From the parking lot (0.0 mi.), the Monroe Trail immediately enters the woods, turns sharp left, and continues a short distance before beginning a moderate ascent. The Dean Trail comes in from the left (1.3 mi.) and, continuing to climb, the Monroe Trail crosses Hump Brook (2.1 mi.), where a spur trail leads left 50 ft. to a good lookout.

Recrossing the brook, turning north and ascending more steeply, the trail crosses the Alpine Trail (2.5 mi.) and continues on to the Long Trail (3.1 mi.) at the Camel's Hump Hut Clearing. Camel's Hump summit is 0.3 mi. south on the Long Trail. Couching Lion parking lot to LT, 3.1 mi. Parking lot to Camel's Hump, **3.4 mi. Round trip, approx. 5 hours.**

Elmore Mountain Trail (Elmore)

The trail to the summit begins in Elmore State Park (campground, picnic area, swimming). The park entrance is located on the west side of RT 12, a short distance north of the village of Lake Elmore. Pay a small day use fee and make parking arrangements at the park contact station.

Continuing straight ahead from the contact station, the road passes the camping area and begins to ascend (0.0 mi.). The road reaches a chained gate near a picnic shelter (0.5 mi.). From this point on, the trail is blue blazed.

The trail continues on the road through the gate and ascends to the south. Near the end of the road, the trail turns sharply to the right (1.0 mi.) at a blue arrow and sign on a tree and follows a well worn path through open woods. After some steady climbing in places, the trail reaches a grassy clearing a short distance below the ridge (1.9 mi.). The cellar hole on the left marks where the old lookout's cabin once stood. There is a good view to the east overlooking Lake Elmore.

To the right, on the west side of the clearing, the trail begins a steep and winding climb over rocks. Soon it reaches a level area and trail junction. To the right is the Balanced Rock Trail. To the left the Elmore Mountain trail continues about 100 ft. to the old fire tower on the summit (2.1 mi.). **Round trip 4.2 miles. Ascent 1,450 ft.**

Groton State Forest

With an area of some 26,000 acres, Groton State Forest is the largest single tract of land owned by the State of Vermont. It is located between RT 2 and 302 along the Groton-Marshfield state highway. An extensive trail system provides access to many of the scenic points of

interest in the forest, including several ponds, bogs, and exposed granite peaks, among them Owl's Head (1,958 ft.) and Deer Mountain (1,800 ft.). Maps are available during the summer season at the campgrounds located on Ricker Pond and Groton Pond, and during other seasons at the park headquarters located at the Marshfield end of the forest.

Lake Willoughby Area (Wheeler Mountain)

Follow RT 5 east for 2.1 miles and turn north on a narrow dirt road. Continue on this road for 2 miles to a white farmhouse on the right. Follow the white-blazed trail through the field, into the woods, and then climb over open rock to the 2,371 foot summit. En route, outstanding views are afforded to Mt. Mansfield and the northern Green Mountains to the west, and Willoughby to the east. From the summit, descend through woods 0.1 miles to Eagle Cliff, and a remarkable view of the lake and Bald Mountain. **Round trip 2.5 hours.**

Mount Mansfield

The highest mountain in Vermont, Mt. Mansfield (el. 4,395) is known for its distinctive ridgeline, especially when viewed from the east, which resembles a profile of a human face. The names of its more prominent south-to-north features reflect this: Forehead, Nose, Upper and Lower Lips, Chin and Adam's Apple. The Abenaki called the mountain "Moze-o-de-be-Wadso" (Mountain with the Head of a Moose). It received its present name from the town of Mansfield, disestablished and divided among adjacent towns over 100 years ago.

Mount Mansfield via Haselton Trail (Stowe)

This trail, named after Judge Seneca Haselton of Burlington, the first vice-president of the GMC and a great lover of Mt. Mansfield, is one of the mountain's oldest trails. Beginning at the far end of the Mt. Mansfield Gondola Base Lodge parking lot, the entrance of which is 0.6 mi. south of the Long rail on RT 108 (gate may be locked at night) (0.0 mi.). It follows a ski service road a short distance and then bears left into the woods (0.1 mi.) climbing steadily. After following a hogback separating two brooks (0.6 mi.) the trail crosses the south brook (0.7 mi.) and ascends steeply to join the Nose Dive Ski Trail (1.3 mi.) which it follows to the Toll Road (1.6 mi.) near the Octagon. From here, via the Toll Road, it is 0.5 mi. to the Summit Station and the Long Trail. Parking to Long Trail on left, 2.1 mi., **2 1/4 hours. (Rev. 1 1/4 hour).**

Spruce Mountain (Plainfield)

From RT 302, 1.1 mi. east of East Barre, turn north on the Plainfield Springs Road (0.0 mi.). After reaching the end of pavement (4.9 mi.), continue to a junction on the right with East Hill Road (5.7 mi.). Follow East Hill Road uphill, and then turn right onto Spruce Mountain Road (6.5 mi.). At the next junction (6.8 mi.), turn left and follow the narrow and winding road to a parking area and gate at the start of the trail (7.5 mi.).

HIKES & BIKES

From the gate (0.0 mi.), the trail turns right and follows a wide woods road to the southeast. After an initial brief climb, the trail descends gradually for some distance, offering occasional views of the tower, and then climbs on easy grades.

Gradually swinging to the east, the trail reaches the end of the well defined road (1.0 mi.). The trail then continues through several wet areas, where former fire tower lookouts have placed stepping stones and fill. After passing two small springs and obscure snowmobile trail junction on the right, the trail continues a short distance further to cross a small stream (1.3 mi.).

Following a northeasterly course in the deep woods, the trail soon begins a moderately steep climb (1.5 mi.) past two large boulders (1.6 mi.) and then climbs somewhat less steeply over the granite bedrock for some distance. Resuming a steady ascent (1.9 mi.), the trail continues through a fern clearing and then continues on easier grades to the summit and tower (2.2 mi.). **Round trip 4.4 miles. Ascent 1,180 ft.**

Snake Mountain (Addison-Weybridge)

From RT 17, 0.8 miles east of Addison Four Corners and RT 22A, follow Mountain Road south to the start of the trail at Willmarth Road (2.7 mi.). Limited parking is available at the old barn at the junction of Willmarth and Mountain Roads. From the road junction (0.0 mi.), the trail follows the gated woods road east to a junction on the right with the old summit carriage road (0.5 mi.). Bearing left and continuing more steeply to the north, the trail swings to the east onto the ridge and reaches the old trail junction and registration box (0.9 mi.). From the junction the trail takes the right hand fork and continues up the old blue blazed carriage road to the summit and an old concrete foundation (1.8 mi.). **Round trip 3.6 miles. Ascent 900 ft.**

Stowe Pinnacle

From RT 100, about 1.5 miles south of Stowe Village, turn east on Gold Brook Road opposite the Nichols Farm Lodge (0.0 mi.). Bear left at the first fork, and continue through the intersection and covered bridge. Turn right at the next junction (1.8 mi.), and continue to a parking lot on the left (2.3 mi.). Follow the trail through an abandoned pasture and begin a steady climb by a series of switchbacks to a notch (0.9 mi.). After a short, steep climb continue on easy grades to the open summit (1.4 mi.), where good views of the Green Mountains and Stowe Valley may be seen. While you are in the area, visit the Green Mountain Club Headquarters on RT 100 in Waterbury Center. **Round trip, 2 hours.**

Waterbury Trail (Waterbury)

This blue-blazed trail from the west begins on Water Works Road, north of Waterbury Center.

From Waterbury Center village (0.0 mi.), east of RT 100, follow Maple Street north. Take the first right onto Loomis Hill Road (0.2 mi.) and follow it to a fork (2.7 mi.). Take the left fork, Water Works Road, and continue to a parking lot on the right near an abandoned stone quarry (3.7 mi.).

From the parking area (0.0 mi.), the trail begins a moderate climb through a mixed hardwood forest. After crossing a stream (0.9 mi.), the trail leads up over several long sections of ledge and crosses an old, red-blazed state land boundary. The trail swings to the right, climbs steeply, and crosses a second stream (1.2 mi.). Bearing left, the trail levels out before reaching a third stream crossing (1.5 mi.). Beyond the stream, the White Rock Trail branches to the right (1.7 mi.). From the junction, the Waterbury Trail ascends straight ahead steeply on rocks in the open to a junction with the Middlesex and Worcester Trails on the south summit (1.9 mi.). **Round trip 3.8 miles. Ascent 2,290 ft.**

HIKING AND SAFETY TIPS:

1. The ideal hiking season in the Green Mountains is summer and early fall.
2. The average monthly temperature in June, July, and August is in the 60s, in September the high 50s, in October the 40s and early November mid 30s.
3. Insects can be a problem throughout the late spring and summer. "Black fly" season usually lasts from mid-May until mid-June.
4. Vermont's weather is extremely unpredictable, with the possibility of high elevation snowstorms even in summer.
5. If there is any threat of stormy weather, hike at a lower elevation.
6. Wear layers of clothing.
7. Bring a compass and maps, first-aid kit, a supply of high energy foods, like nuts and dried fruits, waterproof clothing, a sleeping bag (even for a day hike), water bottle, flashlight, pocketknife and matches.
8. Wear boots with good support and traction. Wear two layers of socks, first layer synthetic, second layer wool.
9. Remove all valuables from your car at the trailhead.
10. Treat, boil, or filter all water before you drink from a stream.
11. Leave your pet at home.
12. Haul all trash out with you when you leave.
13. Camping and fires are restricted on most Vermont lands.
14. Leave your itinerary with a friend.

TIPS FOR PREVENTING

CHILD ABDUCTION

Many abduction attempts...

- Involve a suspect driving a vehicle
- Occur when the child is traveling to or away from school
- Occur between 2 p.m. – 7 p.m.
- Involve girls and children between the ages of 10-14

The top five methods used during abduction attempts are...

- Offering a ride
- Offering candy or sweets
- Asking questions
- Offering money
- Offering, looking for or showing an animal

- Know the routes your children take, especially to and from school. Practice walking the routes with them so you can point out places they should avoid or where they can go for help.
- Talk to your child's school or day care facility about its pickup policy. Be clear that no one should pick up your child without your permission. Ask to be contacted immediately if someone else tries to pick up your child.
- Use role-playing scenarios to help children learn how to recognize and respond to risky situations. For example, have children practice yelling, kicking, pulling away or otherwise attracting attention when grabbed or approached by someone they do not know.
- Teach your child about the methods would-be abductors use. Have your child practice responding to the tricks by saying "no," walking away and telling a trusted adult immediately.
- Prepare children to act when you are not with them. They should know their full names, home addresses and telephone numbers, and how to dial 911.
- Keep a child identification kit, which includes a recent color photo of your child and descriptive details such as age, height and weight. For more information about creating a kit visit www.missingkids.com/ChildID.

If your child is missing, contact your local law-enforcement agency immediately. Then make a report to the National Center for Missing & Exploited Children® at:

1-800-THE-LOST® (1-800-843-5678).

RETHINK "STRANGER DANGER"

- **DON'T SAY:** Never talk to strangers.
- **SAY:** You should not approach just anyone. If you need help, look for a uniformed police officer, a store clerk with a nametag, or a parent with children.
- **DON'T SAY:** Stay away from people you don't know.
- **SAY:** It's important to get my permission before going anywhere with anyone.
- **DON'T SAY:** You can tell someone is bad just by looking at them.
- **SAY:** Pay attention to what people do. Tell me right away if anyone asks you to keep a secret, makes you feel uncomfortable, or tries to get you to go with them.

CHILD

Identification Page

The Child Identification Page is being provided as a community service. This identification form is to aid parents in compiling important information about their children. This information can be very important and should be kept in a safe place. If your child is missing, take this information to your local law enforcement agency.

INTERNET SAFETY

Parents should be aware of what their kids see and hear on the Internet, who they meet, and what they share about themselves. Talk with your kids, use tools to protect them, and keep an eye on their activities.

ONLINE PROTECTION TOOLS

Online tools let you control your kids' access to adult material and help protect them from Internet predators. Many Internet service providers (ISPs) provide parent-control options. You can also get software that helps block access to sites and restricts personal information from being sent online. Other programs can monitor and track online activity.

GETTING INVOLVED IN KIDS' ONLINE ACTIVITIES

More important than blocking objectionable material is teaching your kids safe and responsible online behavior, and keeping an eye on their Internet use.

Basic guidelines to share with your kids for safe online use:

- Never post or trade personal pictures.
- Never reveal personal information, such as address, phone number, or school name or location.
- Use only a screen name and don't share passwords (other than with parents).
- Never agree to get together in person with anyone met online without parent approval and/or supervision.
- Never respond to a threatening email, message, post, or text.
- Always tell a parent or other trusted adult about any communication or conversation that was scary or hurtful.

Basic guidelines for parental supervision:

- Spend time online together to teach your kids appropriate online behavior.
- Keep the computer in a common area where you can watch and monitor its use, not in individual bedrooms. Monitor any time spent on smartphones or tablets.
- Bookmark kids' favorite sites for easy access.
- Check your credit card and phone bills for unfamiliar account charges.
- Find out what, if any, online protection is offered by your child's school, after-school center, friends' homes, or any place where kids could use a computer without your supervision.
- Take your child seriously if he or she reports an uncomfortable online exchange.

Call the National Center for Missing and Exploited Children at (800) 843-5678

if you're aware of the sending, use, or viewing of child pornography online. Contact your local law enforcement agency or the FBI if your child has received child pornography via the Internet.

FIRST AID INFORMATION

A well-stocked first aid kit with a manual is a necessity in every home. **You should keep one first aid kit in your home and one in each vehicle.** Also, be sure to bring a first aid kit on family vacations.

Choose containers for your kits that are roomy, durable, easy to carry, and simple to open. Plastic tackle boxes are ideal, since they're lightweight, have handles, and offer lots of space.

INCLUDE THE FOLLOWING ITEMS IN EVERY FIRST AID KIT:

Bandages & Gauzes

Sterile Gauze
Adhesive Tape
Adhesive Bandages
Elastic Bandage
Antiseptic Wipes
Soap

Medicines

Triple-Antibiotic Cream
Antiseptic Solution H₂O₂
Hydrocortisone Cream (1%)
Anti-Inflammatory
Pain Killers
Calamine Lotion

Medical Equipment

Tweezers
Sharp Scissors
Safety Pins
Instant Cold Packs
Alcohol Wipes
Thermometer
Plastic Gloves

Additional Items: Flashlight with extra batteries, a list of emergency numbers

AFTER YOU'VE STOCKED YOUR FIRST AID KITS:

- Read the entire first aid manual so you'll understand how to use the contents of your kits. (If your kids are old enough to understand, review the manuals with them.)
- Store first aid kits in places that are out of children's reach but easily accessible for adults.
- Check the kits regularly. Replace missing items or medicines that may have expired.
- Check the flashlight batteries to make sure they work.
- If you're flying, be sure to pack the first aid kit in your checked luggage. Many of the items won't be permitted in your carry-on bags.
